Flipping the Script Paula Chase,2012-03-01 It's junior year at Del Rio Bay High and from near and far the guys are taking center stage Now that Mina's boyfriend Brian is off to Duke University life in Del Rio Bay is lonely And Brian's busy schedule as a Duke baller isn't helping As the season heats up and the phone calls get fewer Mina's insecurity increases and so does Brian's impatience with it But he's not the only guy in the clique dealing with craziness Michael's passion for fashion has led to a chance to attend a special creative arts program in D C He knows he should jump on it but leaving home is harder than he thought He turns to his dancer friend Rob for support but Rob's presence around the clique triggers star athlete JZ's feelings of homophobia As JZ's discomfort simmers his feelings get the

best of him when he finds himself seriously attracted to Jacinta and discovers she's on a different page. With relationships in the balance and friendships at risk, Flipping the Script challenges the guys to step up when the stakes are high. *The Script of The MONEY Affair In Four Acts* Harry Katzan Jr., 2024-12-15. This book contains only the script of the play with the title The Money Affair. The book is intended for the actors. Each scene is followed by several blank lines to accommodate suggestions by the director. In the novel as in the previous stories in the series involving Matt Ashley and the General with the assistance of their associates and friends combine their efforts to make the world better and solve important problems that involve the integrity of the United States along with problems in the domestic arena. In this instance the book is set in the beautiful area of middle New Jersey the United States and is related in a small way to a foreign country. As in the previous novels Matt Miller who has a PhD degree from a prestigious university uses mathematical thinking and solid logic along with the organizational ability of General Les Miller his grandfather and his wife Ahley to solve a major social situation recognized by a colleague and is related to men and women and the election of the United States. It is a modern tale based on complex interpersonal interactions. The book is a modern collection of characters different locations and a dynamic context. The text has a distinct definition and its relationship to modern social events is thorough and interesting. The reader will ask Can it happen here Or Is it happening here You will love the conclusion and of course the beginning. One more thing There are several long sequences too long for ordinary people to memorize. They lend themselves to prerecording and then be dubbed in like they do in movies. In this book the story as it is published has no violence no sex and no bad language. It is accessible to all readers. The story and the script are short and easy to read. You can enjoy it in a car train or airplane ride. There is a place for notes and some leisure material. *George and the Dragon - a Script* Michael Fitzalan, 2009-11-23. When a painter discovers a haul of government bonds he needs to cash them but the haul belongs to The Dragon money was never so easy to get and so dangerous to hold onto. **Frozen 3 Script. The Fire Awakens** Ion Bogdan Purcaru, 2020-05-31. It is March 2020 I am working at a sales agent in the roof industry and I have decent income. It's risky because I have to climb old buildings roofs but I like it. Suddenly due to COVID 19 my county dictates a state an emergency and I have no other choice but to stay with my kids at home. My wife is working in the medical system so it's her duty to help by going to work. Because she had a greater risk to be infected by the new virus I had to stay alone with my kids to protect my older parents that were helping me before prior the COVID era. I love my kids a boy age five and a girl age two so I've made everything possible to take care of them while keeping them entertained. I've cooked sang played with them in every possible way and from time to time we've watched an animation movie. One of those movies watched together was Frozen 2. After we've watched the movie with the kids enjoying it some ideas engulfed my mind. I wrote my ideas into a word document called Frozen 3 script. John Steinbeck said Ideas are like rabbits. You get a couple and learn how to handle them and pretty soon you have a dozen. My rabbits multiplied therefore after one month of writing and watching over my kids the script was ready. It wasn't perfect as it had

many spelling and expression problems as I am not a native English writer but the ideas inside and the actual story were in my opinion at least great You see I wrote before self published a book on Amazon and I have an YouTube Channel where I wrote stories and amazingly 33k subscribers enjoyed the way I write despite in English the imperfect style I know when a story has a lot of potential that s why I ve decided to share the story to Disney the legal owners of Frozen God knows I ve tried every possible way to contact them but I ve always received the same answer It s our policy not to accept any unsolicited creative ideas and submissions and other similar replies After one and a half month of trying and failing to contact anyone from Disney I am tired so I ve decided to publish the script because I love it and I don t want to die buried deep inside my computer s bits I don t have time to correct it thoroughly or adapt it from a script to a literal form because the state of emergency ended fourteen days ago and I ve returned to my job I have to work to sustain my family I want to share this story script to everyone interested to read it I want objective and honest answers about the actual story I won t mind if you criticize me for not using the best expression to describe the story or because of my misspelling yet the scope of this writing is to deliver an amazing story I wanted to imprint a Disney Frozen style logical not violent funny interesting dramatic and musical while maintaining everything we loved in Anna Elsa Kristoff Olaf and Sven including their personalities in a logical no nonsense story I also wanted to deliver a reason for Elsa s powers why was she born with the ability to create ice You will tell me if I ve succeeded or not

Glitchworld: New Beginnings (Movie Script) Jermaine Magandazi, In the year 2699 decades of famine pestilence and war has led to a large portion of earth being uninhabitable As a result the remainder of humanity is spread out through a handful of colonies the size of a city This first novel is centered around a VR Simulation called GlitchWorld named after the concept that in a world filled with chaos and destruction this simulation stands as a glitch of hope in an otherwise broken system

Off Script Ashley Marie,2022-06-07 The oldest trick in the book turns out to be the best thing that s ever happened Jada Berklees acting career is finally heating back up after an on set romance with her ex ruined her last job on a popular TV show When she gets a second chance with a desirable supporting role in a hot new romantic comedy Jada s determined not to let on set politics or her off set ex get in the way again She s prepared polished professional and she s going to knock their socks off Still despite Jada s best efforts to keep her head down she accidentally walks in on leading man and notorious lothario Tristan Maxwell cheating on his latest fling An intense and embarrassing showdown on set ensues Of course there are no secrets in Hollywood and when their confrontation makes its way to the biggest gossip site in the world it has consequences for both their careers With their reputations on the line they need public relations rehab and stat Tristan s agent suggests the perfect solution a fake relationship to get the press off their back and repair both their images Jada reluctantly agrees But when their faux romance begins to have real consequences for them both Tristan and Jada need to decide if they re in it for real and not just when the cameras are rolling
