Muhenda (English version) Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement, all blacks around the world were expelled, forced to return to Africa, creating a political division between blacks and whites. But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources, the kingdom of Muhenda in Africa. A place where white people were never welcome. However, an agent of the intelligence of the whites manages to enter Muhenda. The king of Muhenda is murdered, and the white man is sentenced to death for the crime, and as retaliation, all the remaining whites were made slaves. Years later, a dictator and tyrant empire rises, dominating all of Africa, inflicting terror, oppression, inequality, and pain. Led by the new king of Muhenda and the brother of the deceased emperor, Luther Nankela. That situation forces Sowety, a young African warrior queen, and Selena, a young white slave, to stand up, step up, and fight against the new system. Two different women, two enemy races, one almost impossible, gold, freedom.
