

The book cover features a woman with long, wavy brown hair, wearing a vibrant red, sleeveless, tiered dress. She is positioned in the center, looking back over her right shoulder towards the viewer. Behind her, a large, glowing full moon illuminates the scene. To her left, a black werewolf stands on a rocky outcrop, looking towards the left. In the foreground, a grey werewolf is shown in profile, looking left. To the right of the woman, another grey werewolf is depicted, looking towards the right. The background is a dark, moody landscape with swirling blue and purple mist or smoke. The title 'FATED MATE'S' is written in a large, ornate, silver-colored serif font across the lower half of the image.

series are from a later time and are Generation Eight This new series stands alone and you don't have to have read any of the other books to enjoy this one I couldn't resist the temptation to tell a few other Badari stories set in the galaxy's Hinterlands and who can resist gladiators Please note each novel has been previously published on its own and all are standalone tales No new material has been added aside from a brief Author's Note about why I wrote each novel KYDEN is the top ranked gladiator in the Five Systems but he's hardly there by choice Unscrupulous guards faked his death in the lab where he was created and sold him into slavery in the galaxy's hinterlands He has no idea where his home is or how many years have passed since he was condemned to a life of endless combat Kill or be killed is the rule and a Badari never gives up He'll fight to stay alive until the Badari goddess sees fit to decree his death Elara Vasclavian is the daughter of a senator as far removed from the life of a gladiator as a noblewoman can be until through the machinations of a political enemy she ends up in terrible jeopardy Abducted and given to a group of drunken gladiators for their amusement the night before the games Elara vows to put up a fight but there's no real hope of saving herself Until Kyden steps in responding to the goddess's commandment to protect those who are smaller and weaker And discovers she's his fated mate Rescued Elara returns to her life of privilege but she can't forget the man who saved her life The gulf between their places in the Five Systems is unbridgeable no matter how much Kyden longs for even a glimpse of her in the arena audience No matter how much she feels the pull to be by his side As matters stand they cannot be together Or can they RENNYYR was a genetically engineered senior soldier in his Badari Warrior pack until one day he woke up on a strange planet naked disoriented and about to be sold into the gladiator arena for the rest of his life Unscrupulous guards faked his death in the lab where he was created and sold him into slavery in the galaxy's hinterlands Kill or be killed is the rule in his new life and a Badari never gives up He'll fight to stay alive until the Badari goddess sees fit to decree his death and release him from the wretched existence Jaine Mitchel of the Sectors was on her way to an exciting research internship until pirates seized the spaceship on which she was a passenger and took her to feature in a gladiator death match in the galactic hinterlands She has no hope of surviving in the arena until a man she only glimpsed in passing breaks out of his cell and saves her life declaring her to be his fated mate Given to Rennyrr as his reward for winning the death match Jaine must share a cell and a bed with the handsome not human gladiator and together they have to find a way to survive in this merciless world of violence and death Their mutual attraction is off the charts Falling in love is the easy part finding a way to escape or even to remain together is the challenge At any time their mutual owner could decide thumbs up or thumbs down on one or both of them or sell them separately Their only hope is a mysterious gladiator master from offworld who may be coming to buy Rennyrr Will he take Jaine as well Could Rennyrr win freedom for them both if he does well enough in the arena Badari Warriors claim their mates for life and Rennyrr has no intention of losing Jaine TALINN was a genetically engineered senior soldier in his Badari Warrior pack until unscrupulous laboratory guards faked his death and sold him into slavery in the galaxy's hinterlands Purchased by a nomadic

warlord and forced to fight in games for the amusement of the crowds Talinn has endured through sheer strength of will He sees no possibility of escape but a Badari never gives up until the goddess calls him to the afterlife Bailey Kingsmere was a talented and ambitious entertainer on an interstellar cruise liner when her ship was destroyed in an accident She escaped in a defective cryonic lifepod which eventually drifted out of the Sectors entirely and crashed on a primitive planet Superstitious locals decide to place her in the arena as a prize for a lucky gladiator Talinn needs only one look to know Bailey is his fated mate He ll do whatever it takes to rescue her from the other fighters and claim her as his prize but how can he ensure her safety thereafter Since he s not human and has alien reptilian predator DNA which gives him extra capabilities will Bailey accept him as a mate And can they ever escape their desperate situation and find a way to freedom **Craved by an Alpha:**
