The Alex Verus Novels, Books 1-4 Benedict Jacka, 2014-03-04 The first four books in the outstanding provocative series Publishers Weekly featuring Alex Verus who is part of a world hidden in plain sight running a magic shop in London And while Alex s own powers aren t as showy as some mages he does have the advantage of foreseeing the possible future allowing him to pull off operations that have a million to one chance of success Includes Fated Cursed Taken and Chosen I just added Benedict Jacka to my must read list Jim Butcher author of the Dresden Files novels **Hidden** Benedict Jacka, 2014-09-02 With his talent for divining the future Alex Verus should have foreseen his friends reactions to the revelations about his previous life Anne Walker no longer trusts him and has also cut all ties with the mage community after getting kicked out of the apprentice program As a favor to Luna Alex s own apprentice and Anne s best friend he checks in on her only to be told to leave her alone Then Anne gets kidnapped The Council Keepers of the Order of the Star believe Dark mages from her past may be involved Working with the Keepers Alex and Luna discover that Anne has been taken into the shadow realm of Sagash her former Dark mage mentor and they must find a way to rescue her But another shadow from the past has resurfaced Alex s former master may be back in London and Alex has no idea what his agenda is Taken Benedict Jacka, 2012-08-28 This time last year I could go weeks without seeing another mage In mage society I was an unknown and all in all that was how I liked it It s hard to say what changed Whatever it was I got involved in the magical world again and started getting myself a reputation Alex Verus s insights into the future used to be the best kept secret in London Now with the aid of his apprentice Luna his unique investigative talents are all the rage He just has to be careful about picking his employers because everyone even the beautiful woman who practically begs him to run security for a prestigious tournament has motives that can be hard to predict And Alex doesn t do unpredictable But his latest gig just might be impossible Apprentices have been vanishing without a trace and someone on the Council could be involved Alex has no evidence no witnesses and no suspects All he knows is that someone is keeping tabs on him And after assassins target Luna s classmate Alex sees that he doesn t know the half of it and that he could be the next to disappear Chosen Benedict Jacka, 2013-08-27 THE NEW ALEX VERUS NOVEL I don t publicly advertise that I m a mage but I don t exactly hide it either and one of the odd things I ve learnt over the years is just how much you can get away with if you re blatant enough Hide something behind smoke and mirrors and make people work to find it and they ll tear the place down looking for what s there Alex Verus is a diviner who can see probable futures a talent that s gotten him out of many a tough scrape But this time he may be in over his head Alex was once apprenticed to a Dark mage and in his service he did a lot of things he isn t proud of As rumors swirl that his old master is coming back Alex comes face to face with his misdeeds in the form of a young adept whose only goal is to get revenge Alex has changed his life for the better but he s afraid of what his friends including his apprentice Luna will think of his past But if they re going to put themselves at risk they need to know exactly what kind of man they re fighting for
