Fathers and Children Ivan Turgenev, 1991-10-15 One of the greatest of the classic Russian novels this universal tale of generational conflict is set at a moment of historic social upheaval just before the emancipation of the serfs in 1861 When Arkady Kirsanov returns home from university his father and uncle find to their bafflement and dismay that the

naive and impressionable young man has come under the sway of the charismatic new friend he brings with him A fervent nihilist Yevgeny Bazarov passionately rejects traditional values and authority and wants to overturn the oppressive landowning system that supports Russian society and his own parents As Bazarov provokes the disapproval of his elders falls unsuccessfully in love and fights a duel he moves like a storm cloud through this sensuous dramatically paced account of Russia on the brink of change Ivan Turgenev's greatest fictional character is as compelling and as enigmatic as the country whose turmoil he so vividly represents Introduction by John Bayley Translation by Avril Pyman Fathers and Children Ivan Turgenev, 2016-08-01 Arguably the finest novel by Ivan Turgenev *Fathers and Children* tells a compelling story of generational conflict Published in the 1860s this novel alludes to the changing social climate of 19th century Russia old style liberals widely represented in the elder generation would clash with the bold nihilists many of whom were young Characters from the former group are represented with marked humbleness and nostalgia while those of the latter group are inclined to pointed declarations espousing the avant garde philosophy of the time Old institutions such as the Russian Orthodox church are openly challenged by characters in the text while the young nihilists Bazarov and Arkady grapple with their affections for Madame Odintsova an elegant cultured and financially independent woman Notable for placing the term nihilism into wide use this was one of the first novels from Russia to have emerged and gained widespread approval among Western literary critics and readers *Fathers and Children* remains a historically poignant and significant work to this day Fathers and Children Ivan Turgenev, 2017-05-20 *Fathers and Sons* also translated more literally as *Fathers and Children* is an 1862 novel by Ivan Turgenev and vies with *A Nest of Gentlefolk* for the repute of being his best novel The fathers and children of the novel refers to the growing divide between the two generations of Russians and the character Yevgeny Bazarov a nihilist who rejects the old order *Fathers and Sons* Ivan Turgenev, 2016-04-25 *Fathers and Sons* Turgenev's most famous and enduring novel appeared in 1862 Its leading character Eugene Bazarov considered the first Bolshevik in Russian literature was in turn heralded and reviled as either a glorification or a parody of the new men of the 1860s The novel examined the conflict between the older generation reluctant to accept reforms and the nihilistic youth In the central character Bazarov Turgenev drew a classical portrait of the mid nineteenth century nihilist *Fathers and Sons* was set during the six year period of social ferment from Russia's defeat in the Crimean War to the Emancipation of the Serfs Hostile reaction to *Fathers and Sons* prompted Turgenev's decision to leave Russia As a consequence he also lost the majority of his readers Many radical critics at the time with the notable exception of Dimitri Pisarev did not take *Fathers and Sons* seriously and after the relative critical failure of his masterpiece **Fathers and Sons by Ivan Turgenev** Ivan Turgenev, 2020-02-07 My favorite novel is Ivan Turgenev's *Fathers and Sons* a 200 page ravishing knockout of a book that explains just about everything you need to know about families love heartache religion duels and the institution of serfdom in 19th century Russia not to mention advice on how to seduce your housekeeper's young daughter In short it's a Russian masterpiece one written so beautifully and with

such economy that when you finish reading it you feel a little shaken and a little stirred A vodka martini on the front porch might be in order Gary Shteynga NPR Fathers and Sons is an 1862 novel by Ivan Turgenev and is one of the most acclaimed Russian novels of the 19th century It might be regarded as the first wholly modern novel in Russian literature novel and is also the first Russian work to gain prominence in the Western world eventually gaining the approval of well established novelists Gustave Flaubert Guy de Maupassant and Henry James A True Classic of Russian Literature that Belongs on Every Bookshelf *Fathers and Sons* Ivan Sergeevich Turgenev, Constance Black Garnett, 2015-08-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Fathers and Sons Ivan Sergeevich Turgenev, 1895 **Fathers and Sons** Ivan Turgenieff, 2014-03 This Is A New Release Of The Original 1921 Edition
