First World Book 1 Spurn Book 2 Crais Book 3 First World A Walker Saga Book 1A young adult paranormal romance series. An epic journey. If the Seventine are released, will anyone survive? Abigail Swish might not love her life living in gang-ridden New York in 2035 and training to fight and survive with Compound 23. But she is grateful for a few things, especially her no filter between brain and mouth best friend Lucy and her escape each night into a dream world far different from her own. In fact, sometimes she lives for the fleeting moments she spends at night with the man who fuels every romantic fantasy she's ever had. But each morning reality returns. She could just cry. But she won't. Tears don't change a damn thing. Then, without any warning, a month before her eighteenth birthday, everything does change. A guardian finds her. He explains in a strangely familiar accent that she was stashed on Earth for safekeeping and has been lost to her family ever since. And it is time to return home. To First World, a land of unimagined beauty. Abigail and Lucy find themselves thrust from New York and into another world. Day one, traversing through an unforgiving wilderness. Yeah, because that sort of thing just happens every day. Luckily, an unexpected savior arrives: the man from her dream world. Brace is six and a half feet of gorgeous perfectness wrapped in an arrogance like no other. Unable to trust his assistance and unsure which of her instincts to follow, kiss him or punch him in the mouth, Abigail eventually accepts his help to find her family. And what a family. Enter Josian, her father, larger than life and apparently not even human. He is Walker, a planet-less race revered as gods, causing mischief and mayhem throughout this star system. Unfortunately, there is no time for a cozy reunion since her return to First World is the unknown catalyst setting forth a chain of events which could spell disaster for all worlds. First World is book one in the Walker Saga, a seven-book paranormal fantasy series.
