

Making Friends with Pizza

- 1 Roger is new in town, and it has been hard for him to make friends. The kids at school are nice, but Roger is so shy. His birthday is coming up soon, so he is planning a big party and it is sure to be a lot of fun. There will be cake, ice cream, special games, and even a treasure hunt. "But what if none of the other kids want to come?" Roger wonders to himself.
- 2 One week before his party, Roger and his dad go to their favorite restaurant, Benny's Pizzeria. The restaurant makes the best pizza in town. Roger and his dad order a large pizza pie with four different types of cheese and extra pepperoni. When they are finished with their meal, they go to the kitchen in the back of the restaurant to talk to Benny, the owner and head chef.
- 3 "How was the pizza pie?" Benny asks them.
- 4 "It was an ooey-goey meal!" says Roger. "But that just means we enjoyed it."
- 5 "Thank you!" says Benny.
- 6 Suddenly, Roger gets a wonderful idea. "Benny!" he says, excitedly. "Will you cook pizza for my birthday party?"
- 7 "Hold on, Roger," his dad tells him. "Benny is very busy with his restaurant. He might not have time to make pizza for your party."
- 8 "But, Dad, everyone loves his pizza!" Roger replies. "If we have it, I'll be the most popular boy in school!"
- 9 "Well, I am very busy with responsibilities of my restaurant," says Benny. "How about this idea? Instead of me cooking the pizza you will want for your party, I could show you how to make it yourself."
- 10 That week, Roger goes to Benny's Pizzeria every day after school. Benny shows him how to combine flour, yeast, salt, and water into a dough. Then, after the dough has had time to sit, they pound it down and roll it as flat as a quarter. The most exciting part is when they get to throw the dough up into the air. When Benny throws the dough, it looks easy, but Roger is afraid to try it himself.
- 11 "Don't worry," Benny says to Roger. "If you drop it, we can make more. Don't be afraid to try something new. You won't ever get good at doing something if you don't practice it."
- 12 Roger decides to give it a try. The first few times, he drops the dough. When it drops on the floor, they make new dough. When it falls out of his hands onto the prep counter, he can just pick it up again and reuse it. After a little practice, Roger is no longer dropping the dough and he's doing very well. Benny teaches him how to toss the dough gently up into the air and spin it around like a top. Before it hits the counter, he shows Roger how to catch the dough on his knuckles. Next, they discuss which toppings to use.
