fly designer Henry Cowen shares decades of hard earned knowledge of stripers for the first time Learn about the species its  
food and where and how to find them so you can land far more and bigger stripers Knowing where and how to find stripers is  
key and Cowen offers proven techniques for locating fish in both reservoirs and rivers including water temperature seasonal  
patterns weather patterns locating the bait water clarity and wildlife and how it can help anglers The popularity of fishing for  
striped bass in freshwater is growing quickly especially as global warming allows the fish to live in waters that used to be too  
cold This is the first major book on the subject one that is sure to be part of a big trend among fly fishers Cowen carefully  
outlines fishing tactics along with detailed photographs of the steps involved covering Retrieving a striper Fishing a point  
uphill and downhill Working a topwater fly constant retrieve Hooking a fish strip strike Fishing a hump Fishing a saddle or  
blow through Fishing a breakwater Using the countdown method Fishing a deep hole in a river Fishing a creek in a river And  
much more Cowen also takes a close look at freshwater striped bass explaining how natural and stocked fisheries are  
managed as well as the difference between the various species Along with help choosing equipment and some notes on  
wading tactics anglers will have everything they need to improve their fishing techniques or make a start on this popular all
