1. What is the primary purpose of a business plan?	To outline the business's goals and strategies for achieving them.	100%	Correct! A business plan serves as a roadmap for the business's future.
2. Which of the following is NOT a typical component of a business plan?	Employee salaries.	100%	Correct! Employee salaries are typically detailed in a separate document, such as a payroll system.

It is worth noting that the letter writers acknowledged their agreement to take on a very specific challenge and the implications of that choice. A good informed consent, especially regarding the use of technology, requires a good understanding of the consequences of that choice and how it might impact on society and individuals, not least regarding what the letter writers perceived themselves able to do. Although it is not a matter of any individual's contribution to collective harm or not, sometimes permission to defend against wrongdoing is not the same as permission to engage in positive acts of harm-reduction or prevention.
