Europea **Filosofía del derecho positivo** Riccardo Guastini, 2018-08-31 La presente obra compila veinticinco ensayos de filosofía analítica del Derecho de Riccardo Guastini divididos en cuatro partes que se enfocan en i la norma como elemento esencial del Derecho y su análisis desde la perspectiva del lenguaje jurídico ii la estructura del ordenamiento jurídico como conjunto de normas iii la producción del Derecho a través de la teoría de fuentes la ley y la Constitución y la aplicación del Derecho mediante la interpretación El recorrido que el autor plantea a lo largo de todos estos ensayos tiene como punto de partida dos formas de concebir y practicar la filosofía del Derecho a como metajurisprudencia el análisis del discurso de los juristas y b como un laboratorio conceptual en tanto fuente de construcción de soluciones a los problemas de la jurisprudencia Riccardo Guastini es uno de los más destacados exponentes de la llamada Escuela Genovesa dedicada sobre todo a exponer una sólida teoría analítica del derecho Desde 1997 se han traducido y publicado varios de sus textos en revistas mexicanas lo que ha significado el punto de partida para que su pensamiento haya sido conocido y muy apreciado por los juristas nacionales En 1999 apareció la primera edición de su libro Estudios sobre la interpretación jurídica IIJ UNAM Por lo que en poco tiempo alcanzó una difusión muy amplia y que figura como lectura obligatoria para quienes quieren desarrollar la carrera judicial **Reference Quarterly**, 1976 **Manual de uso del diputado.** Raquel Marañón Gómez, Alfonso Arévalo Gutiérrez, 2019-06-06 Respecto de la adquisición de la condición de diputado de la Asamblea de Madrid nuestro reglamento acoge la diferenciación entre diputado electo y diputado pleno y a su vez tras la proclamación de los resultados los diputados electos deben de cumplimentar un conjunto de requisitos para adquirir la plena condición de diputado Tras el cumplimiento de estos requisitos la Mesa de la Asamblea declarar formalmente la adquisición por el diputado electo de la plena condición de diputado En cuanto a la efectividad de los derechos prerrogativas y deberes del diputado serán efectivos desde el mismo momento de su proclamación como diputado electo Sin embargo celebradas tres sesiones plenarias ordinarias sin que el diputado electo adquiriera la plena condición de diputado sus derechos prerrogativas y deberes quedarán suspendidos hasta que dicha adquisición se produzca Es acertada la inclusión de los deberes en la tróada objeto de suspensión pues otros reglamentos parlamentarios de nuestro entorno omiten los deberes dejando tan sólo en suspenso los derechos y prerrogativas si bien una interpretación sistemática no podrá sino concluir con su inclusión Los Derechos de los Diputados Se inaugura este capítulo indicando que los diputados tienen derecho a ejercer las facultades y desempeñar las funciones que el Reglamento les atribuye para con posterioridad proceder a realizar un catálogo de derechos El primero de ellos es el clásico derecho de asistencia un prae de ejercicio del resto que se concreta en la voz y voto en las sesiones del Pleno y de las Comisiones de las que formen parte De igual modo podrá asistir aunque sin voz al resto de comisiones de la Cámara a excepción de aquellas que tuviesen carácter secreto La Secretaría General es el órgano encargado de expedir las certificaciones acreditativas de asistencia si así se solicitan por el diputado surtiendo los efectos que correspondan con arreglo a lo previsto en la legislación vigente en materia laboral o de función pública A mayor abundamiento la asistencia

siempre se ha considerado desde una perspectiva bifronte derecho deber El llamado derecho de voz y voto es a su vez una obligación de asistencia porque es el principio para el ejercicio del resto de componentes de la función parlamentaria La asistencia es además hoy en día uno de los parámetros sometidos a evaluación de transparencia al ser uno de los índices a evaluar y por lo tanto los tradicionales controles que por los grupos parlamentarios se realizaban sobre la asistencia de sus miembros a las sesiones se superponen al cómputo de asistencia que los servicios de la Cámara realizan a los efectos de volcar los datos en el portal de transparencia accesible al ciudadano Ya no son por tanto en exclusiva los grupos parlamentarios los custodios de esa asistencia al objeto de asegurar la aritmética parlamentaria sino que la asistencia es igualmente un elemento valorativo de la productividad de los diputados como una dimensión del principio de ejemplaridad que aparece ya incipientemente en los códigos de conducta de los parlamentarios y que resulta permeable en los reglamentos parlamentarios
