**Mirrorless and Manual Focus**

Tony Bramley, 2019-08-18

Take control of your photography

Fed up with inconsistent pictures from your camera

Disappointed with your photos

Getting lost in encyclopedic photography books full of technical jargon

You may want to excel more in your photography or just impress your friends and family with your photos

Light Academy Photo Companion Guides help you to become a better photographer simply

I began training in 2013 since then students have commented that many books confuse them

Technical information becomes overwhelming and halts the learning process

The Light Academy Photo Companion Guides are short helpful and easy to follow

Some also contain a field guide at the back

Keep them with you on your tablet or phone or by your workstation

I have kept them at around 30 pages to keep the learning process manageable

Choose the areas of photography you want to expand your skill on

Buy what you need at prices that will not break the bank
