Mugabe Power Plunder And The Struggle For Zimbabwe:

Mugabe Martin Meredith,2008 Robert Mugabe Martin Meredith,2002 Martin Meredith pieces together the riveting and tragic political story of what happened to Zimbabwe and to a leader who once represented one of the world s best hopes for democratic Africa Mugabe Martin Meredith,2003 This biography of Robert Mugabe charts the life of this autocratic leader from his rise to power in 1980 when he promised reconciliation and unification to the country now called Zimbabwe to 2003 Initially Mugabe was admired throughout the world as one of the leaders of the emerging nations and as a model for good transition from colonial leadership But month by month year by year Mugabe s rule has become increasingly autocratic his methods increasingly violent **Mugabe's War Machine** Paul Moorcraft,2012-02-17 Mugabe s War Machine is the first full account of one man s military ambitions It contains shocking stories of massacre and murder at home and powerful accounts of neighbouring wars and international intelligence intrigues This revealing book tracks the rise of Robert Mugabe and decodes his psychology in the context of Zimbabwe s military history His leadership of a guerrilla army against white rule explains how Mugabe continued to rule Zimbabwe as though he were still running an insurgency Mugabe used military power the armed forces militias police and the dreaded Central Intelligence Organization to enforce his will against a series of perceived enemies Along with inflicting massacres in Matabeleland in the early 1980s Mugabe s forces also fought a covert war against apartheid South Africa A large army was sent to intervene in the civil war in Mozambique After 1998 Zimbabwean troops engaged in the massive conflict in the Congo dubbed Africa s First World War Domestically Mugabe crushed all his alleged opponents from the Ndebele to white farmers and then the media judiciary civic groups churches unions and homosexuals The book recounts South African attempts to keep the current government of national unity alive despite the growing oppression It also considers how Zimbabwe can be saved from its own self destruction Professor Paul Moorcraft is a prolific author and war correspondent who has served in the Rhodesian Zimbabwean Police and worked closely with the British Armed Forces His book *The Rhodesian War Pen and Sword* 2008 has been a huge success

Zimbabwe's Military: Examining its Veto Power in the Transition to Democracy, 2008-2013 Rupiya, Martin R.,2013-10-14 Political transition and democratisation challenges have been noted in African countries including Angola Burkina Faso Kenya Mali and the Democratic Republic of the Congo resulting in the African Union AU intervening on behalf of citizens using tried and tested mechanisms of imposing a power sharing agreement to preside over a transitional period during which there are key changes to the constitution and the political conduct of the incumbency and partisan institutions are weaned from seeking to perpetuate the status quo This book focuses on Zimbabwe s military and its perceived veto power in the transition to democratisation from 2008 until 2013 The objective was to analyse monitor and comment on the unique democratic transformational challenges faced by Zimbabwe s Government of National Unity One of the book s key findings is that every time partisan forces carry out an operation in the name of a political party there is a direct correlation in which

the same loses its national character This is the context of the challenge facing Zimbabwean forces when used for partisan gain and why the Southern African Development Community SADC in its last communique in Maputo on 15 June 2013 sought to compel a written undertaking from the generals that they would desist from playing a direct role in the politics of the country The AU had earlier expressed its deep regret when faced with the results of serious human rights abuses that were committed with impunity

Healing the Wounds of Gukurahundi in Zimbabwe Dumisani Ngwenya, 2017-12-14 This book is based on a participatory action research project carried out with a group of former Zimbabwe People's revolutionary Army ZPRA which was the armed wing of the Zimbabwe African People's Union ZAPU which was led by the late Joshua Nkomo ZPRA was the primary target of Gukurahundi a pogrom by the Mugabe government which left an estimated 20 000 civilians dead and countless others tortured in the early 1980s in Matebeleland Zimbabwe It has been almost 30 years since the violence ended but there has never been an official healing and reconciliation programme or truth commission into the atrocities The government chose the path of amnesia by granting a blanket amnesty to all involved The regime has enforced a culture of silence over the event through repression and intimidation The book is a culmination of a two year journey by the group and the author of an exploration of group based self healing approaches to the pain caused by the violence of Gukurahundi

Mugabe's Legacy David B. Moore, 2022-06-15 Zimbabwe's party internal coup of 2017 and deposed president Robert Mugabe's death nearly two years later demand careful historically nuanced explanation How did Mugabe gain and retain power over party and state for four decades Did the suspected and nearly real coups the conspiracies behind them and their concurrent mythomaniacal conceits ultimately ironically spell his near tragic end Has Mugabe's particular mode of power reached a finality with his own downfall as his successors struggle more to balance Zimbabwe's political contradictions Will the phalanxes arrayed against Mugabe's control fray further as Zimbabwe fades Mugabe's Legacy delves deeply into such questions drawing on more than forty years of archival and interview based research on Zimbabwe's political history and current precariousness Starting with the mid 1970s it traces how Machiavellian moves allowed Mugabe to reach the apex of the Zimbabwe African National Union's already slippery slopes through the complexities of Cold War regional ideological generational inter and intra party tensions The lessons learned by the president and the nascent ruling party then turned gradually inward ultimately arriving at a near collapse that may now pervade all of the country's political space David B Moore vividly charts this rise and fall all the way to Zimbabwe's tenuous chaos today

A Brutal State of Affairs Henrik Ellert, Malcolm Anderson, 2020-04-02 A Brutal State of Affairs analyses the transition from Rhodesia to Zimbabwe and challenges Rhodesian mythology The story of the BSAP where white and black officers were forced into a situation not of their own making is critically examined The liberation war in Rhodesia might never have happened but for the ascendancy of the Rhodesian Front prevailing racist attitudes and the rise of white nationalists who thought their cause just Blinded by nationalist fervour and the reassuring words of the Ministry of Internal Affairs and army commanders the

Smith government disregarded the advice of its intelligence services to reach a settlement before it was too late By 1979 the Rhodesians were staring into the abyss and the war was drawing to a close Salisbury was virtually encircled and guerrilla numbers continued to grow A Brutal State of Affairs examines the Rhodesian legacy the remarkable parallels of history and suggests that Smiths Rhodesian template for rule has in many instances been assiduously applied by Mugabe and his successors

Revolutionary Monsters Donald T. Critchlow, 2021-10-05 Lenin Mao Castro Mugabe Khomeini All sparked movements in the name of liberating their people from their oppressors capitalists foreign imperialists or dictators in their own country These revolutionaries rallied the masses in the name of freedom only to become more tyrannical than those they replaced Much has been written about the anatomy of revolution from Edmund Burke to Crane Brinton Crane Franz Fanon and contemporary theorists of revolution found in the modern academy Yet what is missing is a dissection of the revolutionary minds that destroyed the old for the creation of a more harmful new *Revolutionary Monsters* presents a collective biography of five modern day revolutionaries who came into power calling for the liberation of the people only to end up killing millions of people in the name of revolution Lenin Russia Mao China Castro Cuba Mugabe Zimbabwe and Khomeini Iran *Revolutionary Monsters* explores basic questions about the revolutionary personality and examines how these revolutionaries came to envision themselves as prophets of a new age

Multidisciplinary Perspectives on Zimbabwe's Liberation Struggle Munyaradzi Nyakudya, Wesley Mwatwara, Joseph Mujere, 2022-11-15 This book provides a timely reconceptualization of

Zimbabwe's anti colonial liberation struggle resisting simple binaries in favour of more nuanced critical analysis Most historiographies characterize Zimbabwe's liberation struggle as being defined by simple bifurcations along racial ethnic class and ideological perspectives This book argues that the nationalist struggle is far more complex than such simple configurations would suggest and that many actors have been overlooked in the analysis The book broadens our understanding by analysing the roles of a wide range of political figures organizations and members of the military as well as the media and the often overlooked part that women played Over the course of the book the contributors also reflect on the ways in which revolutionary figures have been repainted as sellouts in particular by the ZANU PF ruling party and what that means for the country's interpretation of their recent past Highlighting in particular the expertise of leading scholars from within Zimbabwe across a range of disciplines this book will be of interest to researchers of African history politics and postcolonial studies

Language, Vernacular Discourse and Nationalisms Finex Ndhlovu, 2018-03-15 This book examines the linguistic and discursive elements of social and economic policies and national political leader statements to read new meanings into debates on border protection national sovereignty immigration economic indigenisation land reform and black economic empowerment It adds a fresh angle to the debate on nationalisms and transnationalism by pushing forward a more applied agenda to establish a clear and empirically based illustration of the contradictions in current policy frameworks around the world and the debates they invite The author's

novel vernacular discourse approach contributes new points of method and interpretation that will advance scholarly conversations on nationalisms transnationalism and other forms of identity imaginings in a transient world

Nation Shapes Fred M. Shelley, 2013-04-23 This book provides a concise and comprehensive description of all of the borders of every country in the contemporary world including physical boundaries their historical evolution and border related conflicts with other countries *Nation Shapes The Story behind the World's Borders* examines the importance of country boundaries the disconnects between these borders related factors such as cultures religions and economies and how conflicts over boundaries between neighboring countries are articulated The book is organized geographically and by region of the world the Americas Africa Europe the Middle East South and Southeast Asia East and Southeast Asia and Australia and Oceania It provides comprehensive descriptions of the boundaries of each country in the world the historical evolution of these boundaries and current and potential future boundary disputes and conflicts While the work contains an entry for each country the emphasis is on countries of major importance in the modern global economy

Medical Outcasts Roxane Richter, 2015-12-24 As witnessed through the firsthand experiences of a frontline activist and international medical aid practitioner this biosocial political study gives voice to the inequities in undocumented Mexican and Zimbabwean women's emergency healthcare access and treatment in Houston United States of America and Johannesburg South Africa As a construct of feminist transdisciplinary fieldwork this research utilizes methodological pluralism and biosocial disparities to examine constructs of social determinants or social origins of women's suffering disease and healthcare access These variables include gender inequity xenophobia structural violence political economy subjugation healthcare access and delivery disparities and human rights violations Illustrated through 24 purposive interviews this seven year study shows Zimbabwean women sought out emergency care at a rate 16 times higher than their Mexican counterparts but reported lower instances of domestic violence and depression Most notably the Zimbabwean women reported communicable diseases at double the rate of the interviewed Latinas However the most surprising finding of the study was the high number of Mexican women some 60% who cited depression as one of their indications for seeking emergency healthcare The study indicated that the reality of many forced migrants experiences in claiming their accorded healthcare rights was more theoretical than practical in its distribution and disposition Particularly sovereign freedom and civil justice were not being conferred to these women according to the two host country's mandated Constitutional precepts and or emergency medical aid mandates and social gender aid and human rights justice directives Thus the role of government in shaping these systemic and institutionalized ideologies will be examined as well as paradigms that effect national healthcare expenditures subsidies and public health risks The intention of this study is not to provide definitive recommendations of specific forced migration policies that have a civic and or partisan duty to be executed but rather to serve as an illustration of how these social tenets inequitable power relations and political economy subjugation directly impact socioeconomically disadvantaged

women's health livelihood and human rights *Migration, Borders, and Borderlands* John Aerni-Flessner, Grey Magaiza, Munyaradzi Mushonga, Chitja Twala, 2023-10-24 Compiling various perspectives from borderlands across the SADC region *Migration Borders and Borderlands Making National Identity in Southern African Communities* edited by Munyaradzi Mushonga John Aerni Flessner Chitja Twala and Grey Magaiza provides a synthesis of the experiences of borderland residents in this economically and socially integrated region This book reframes debates around nationalism and belonging in southern Africa as it uses the idea of a borderscape to argue that nations are made at the border and in the contestations that take place in the borderlands Understanding borders and bordering in the SADC region is crucial to understanding how policies made in oft distant national capitals have played out among borderlands residents over time The contributors present why national citizens in SADC so often end up in countries distant from where they were born and reside and why leaders need to be cognizant of this Exploring gender history policy and the ways that people have moved across borders despite a myriad of restrictions stretching from the early twentieth century to the present this collection centers the voices and experiences of the most marginal to make the plea for a more humane border regime in Southern Africa and globally

Dictatorland Paul Kenyon, 2018-01-11 A Financial Times Book of the Year Jaw dropping Daily Express Grimly fascinating Financial Times Humane timely accessible and well researched Irish Times The dictator who grew so rich on his country's cocoa crop that he built a 35 storey high basilica in the jungles of the Ivory Coast The austere incorruptible leader who has shut Eritrea off from the world in a permanent state of war and conscripted every adult into the armed forces In Equatorial Guinea the paranoid despot who thought Hitler was the saviour of Africa and waged a relentless campaign of terror against his own people The Libyan army officer who authored a new work of political philosophy The Green Book and lived in a tent with a harem of female soldiers running his country like a mafia family business And behind these almost incredible stories of fantastic violence and excess lie the dark secrets of Western greed and complicity the insatiable taste for chocolate oil diamonds and gold that has encouraged dictators to rule with an iron hand siphoning off their share of the action into mansions in Paris and banks in Zurich and keeping their people in dire poverty **The Encyclopedia of Libertarianism**

Ronald Hamowy, 2008-08-15 As a continuation of the older tradition of classical liberalism libertarian thinking draws on a rich body of thought and scholarship Contemporary libertarian scholars are continuing that tradition by making substantial contributions to such fields as philosophy jurisprudence economics evolutionary psychology political theory and history in both academia and politics With more than 300 A to Z signed entries written by top scholars The Encyclopedia of Libertarianism is purposed to be a useful compilation of and introduction to libertarian scholarship The Encyclopedia starts with an introductory essay offering an extensive historical and thematic overview of key thinkers events and publications in the development of libertarian thought The Reader's Guide groups content for researchers and students alike allowing them to study libertarianism topically biographically and by public policy issues Key Features Entries conclude with bibliographies

and references for further reading and cross references to related entries Each entry provides an introduction to a topic or policy question relevant to libertarianism or a biography of a person who has had an impact on libertarianism Editors take special care to ensure entries clearly explain libertarian approaches to issues do not take sides on disputed matters or engage in polemics and represent the views of all sides fairly and accurately *Governance and the Crisis of Rule in Contemporary Africa* Ebenezer Obadare,Wale Adebani,2016-02-09 This volume advances the discussions of leadership in Africa s specific history culture economy and politics The book promotes an understanding of leadership and its paradoxes and illuminates the conditions under which political leadership has been produced and how those conditions have shaped leaders
