s filled with ideas guidelines tips and tools The book includes questions and exercises to help you learn on your own with your team or with others in your organisation Get Your Message Across Clearly Convey the Right Tone Recognize E Mail Risks Make the Best Use of Your Time Present a Professional Image *Enriching Collaboration and Communication in Online Learning Communities* Stevenson, Carolyn N., Bauer, Joanna C., 2019-08-30 Effective communication is essential in every organization including educational institutions Often members of the online community work in isolation Collaboration across varying disciplines and departments can promote unique professional development activities and create a stronger connection to the entire online community Enriching Collaboration and Communication in Online Learning Communities is a critical scholarly publication that supports communication and collaboration in online settings by focusing on the ways all members of the educational institution can create community to foster personal and professional growth for all The book takes an in depth look at communication strategies and challenges including managing conflict working effectively in virtual teams critical thinking intercultural and cross cultural communication and online leadership It is ideal for faculty teachers administrators principles curriculum developers professionals researchers and students **Interpreting the General**

Letters Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of an amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student s or pastor s skills for accurate interpretation and convicting communication of God s Word See page 21 for full series details **Developing Human Service Leaders** Deborah

Harley-McClaskey,2015-12-24 This empowering text for human services students covers the skills and behaviors essential for leaders to manage themselves their teams and the organization Using a unique coaching voice the book follows a Reflection Diagnosis Prescription approach for leadership development with exercises built into the dialogue The final chapter Prognosis offers a workbook style exercise to help students make a personal change Out of Office Charlie Warzel,Anne Helen Petersen,2021-12-07 This book will challenge you to rethink what it takes to make remote work work not just for companies but for people Adam Grant 1 New York Times bestselling author of Think Again and host of the TED podcast WorkLife The future isn't about where we will work but how For years we have struggled to balance work and life with most of us feeling overwhelmed and burned out because our relationship to work is broken This isn't just a book about remote work It's a book that helps us imagine a future where our lives at the office and home are happier more productive and genuinely meaningful Charles Duhigg best selling author of The Power of Habit Out of Office is a book for every office worker from employees to managers currently facing the decision about whether and how to return to the office The past two years have shown us that there may be a new path forward one that doesn't involve hellish daily commutes and the demands of jam packed work schedules that no longer make sense But how can we realize that future in a way that benefits workers and companies alike Based on groundbreaking reporting and interviews with workers and managers around the world Out of Office illuminates the key values and questions that should be driving this conversation trust fairness flexibility inclusive workplaces equity and work life balance Above all they argue that companies need to listen to their employees and that this will promote rather than impede productivity and profitability As a society we have talked for decades about flexible work arrangements this book makes clear that we are at an inflection point where this is actually possible for many employees and their companies Out of Office is about so much more than zoom meetings and hybrid schedules it aims to reshape our entire relationship to the office
