language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course. The students will receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for Phase II. The 3rd Bn 1st SWTG A is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training SOLT is primarily a performance oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening, and reading. A student receives language training throughout the Pipeline. In Phase IV, students attend an 8 or 14 week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1 1 1 or higher on the Defense Language Proficiency Test in two of the three graded areas: speaking, listening, and reading.

English Math Reading Science and the optional Writing

*English Language Education and Assessment* David Coniam, 2014-07-06

This volume gathers contributions in the closely linked fields of English language assessment and language education. The contributors from China and Hong Kong represent a mixture of established and new scholars. Areas covered in the language education section range across major developments in the redefining of Hong Kong's secondary and tertiary curricula as well as the huge field of China's vocational education curriculum. Regarding assessment, the contributions reflect major changes in the marking of examinations in Hong Kong whereby all examinations from 2012 onwards are marked onscreen to quality control issues in the administration of China's College English Test which is taken by over 10 million candidates every year.
