

Poetic Appreciation of all poems

Standard: XII

Marks in Exam: 04

2.1 Song of the open road

The poem 'Song of the Open Road' is taken from the well-known poetic volume 'Leaves of Grass' by Walt Whitman. Walt Whitman is the pioneer of the poetic form Free verse that's why he is called the father of free verse. The title of the poem is significant and apt because the road signifies mobility.

The present poem is a beautiful fusion of human feelings like softness of heart, self-awareness and liberty. The Poet used the simple language to elaborate the freedom. As the poem is in free verse there are neither rhyming pairs nor rhythm. But the poet had used figurative language and the prominent figures of speech are Repetition as well as personification as many words are repeated, and poet personify the non-human objects. It enlightens us with the poet's self-realizations about the journey of life. It's our choice which way we should go because the road never leads us, we have to decide. That's why good fortune or luck is not required as we are the good fortune or luck.

The poem is about self-realization, and the consistency in life. The poet is against staying in one place for too long.

The special features of the poem are its pictorial quality and imagery which appeals to our sense organs. The Poet is able to create pictorial quality by his beautiful descriptions of nature and various elements of nature.

People should take the road as a point to start over towards something new. The journey of life should be mobile and always on the road to move on.
