**The Oxford Handbook of Language Contact** Anthony P. Grant, 2020-01-10 Every language has been influenced in some way by other languages In many cases this influence is reflected in words which have been absorbed from other languages as the names for newer items or ideas such as perestroika manga or intifada from Russian Japanese and Arabic respectively In other cases the influence of other languages goes deeper and includes the addition of new sounds grammatical forms and idioms to the pre existing language For example English's structure has been shaped in such a way by the effects of Norse French Latin and Celtic though English is not alone in its openness to these influences Any features can potentially be transferred from one language to another if the sociolinguistic and structural circumstances allow for it Further new languages pidgins creoles and mixed languages can come into being as the result of language contact In thirty three chapters The Oxford Handbook of Language Contact examines the various forms of contact induced linguistic change and the levels of language which have provided

instances of these influences In addition it provides accounts of how language contact has affected some twenty languages spoken and signed from all parts of the world Chapters are written by experts and native speakers from years of research and fieldwork Ultimately this Handbook provides an authoritative account of the possibilities and products of contact induced linguistic change **ESL Readers and Writers in Higher Education** Norman W. Evans, Neil J Anderson, William G.

Eggington, 2015-06-12 **ESL Readers and Writers in Higher Education** describes the challenges ESL students in U S postsecondary institutions face when studying in a second language and offers suggestions for how teachers advisors tutors and institutions might provide support that meets the reading and writing needs of this very important student population Because the ESL profession as a whole including what professionals are doing in the classroom sits under the umbrella of an institutional response to a language related challenge some solutions aimed at helping students achieve optimal proficiency lie outside of the classroom As such this book is based on the assertion that language development support is not the sole responsibility of language teachers Everyone on campuses that hosts ESL students bears some responsibility for these students language development Chapters are therefore intentionally adapted to appeal to a wide variety of readers from classroom teachers and teachers in training to admissions officers academic advisors and international student advisors

**Latino Immigrant Youth and Interrupted Schooling** Marguerite Lukes, 2015-02-17 This book offers an innovative look at the pre and post migration educational experiences of immigrant young adults with a particular focus on members of the Latino community Combining quantitative data with original interviews this book provides an engaging and nuanced look at a population that is both ubiquitous and overlooked challenging existing assumptions about those categorized as dropouts and closely examining the historical contexts for educational interruption in the chosen subgroup The combination of accessible prose and compelling new statistical data appeals to a wide audience particularly academic professionals education practitioners and policy makers **Life in a New Language** Distinguished Professor of Applied Linguistics

Ingrid Piller, Ingrid Piller, Donna Butorac, Senior Lecturer and Course Coordinator of Anthropology and Sociology Donna Butorac, Emily Farrell, Global Commercial Director for Open Research Emily Farrell, Loy Lising, Senior Lecturer in Linguistics Loy Lising, Shiva Motaghi-Tabari, Vera Williams Tetteh, 2024-06-03 International migration and the social diversity it creates constitute one of the key global challenges of the early 21st century Language and communication barriers can compromise equitable access in diverse societies and where socioeconomic disadvantage becomes entrenched it poses risks to security productivity and quality of life Clearly this is an important issue and migrants and their language choices are heavily politicized though political and media debates often rely on anecdotal conjecture or are ill informed **Life in a New Language** examines the language learning and settlement experiences of 130 migrants to Australia from 34 different countries in Africa Asia Europe and Latin America over a period of 20 years Reusing data shared from six separate sociolinguistic ethnographies the book illuminates participants lived experience of learning and communicating in a new language finding work and doing

family Additionally participants experiences with racism and identity making in a new context are explored The research uncovers significant hardship but also migrants courage and resilience The book has implications for language service provision migration policy open science and social justice movements

**Transnational Research in English Language Teaching** Rashmi Jain, Bedrettin Yazan, Suresh Canagarajah, 2022-07-15 This edited volume contributes to the creation of a comprehensive and a more inclusive understanding of an increasingly complex global ELT landscape across countries as well as across teaching and learning settings The volume brings together inquiries from language teachers educators and researchers from different backgrounds in the Global South and the Global North who use their experiences of shuttling across borders to reflect on the shaping of their pedagogical research and professional practices across higher education settings The chapters weave the personal professional and theoretical in a seamless manner examining transnational identities and pedagogical practices formed and informed by both communities home and host and include narratives that are not unidirectional The contributing authors also use a variety of qualitative research methods along with reflexive writing and exploration of the authors own positionalities to shed light on transnational identities and critique dominant pedagogical assumptions

Swanson, 2016-07-01 In *Understanding the World Language edTPA Research Based Policy and Practice* two researchers in the forefront of world language edTPA discuss the new beginning teacher portfolio including its required elements federal and state policies concerning teacher evaluation and research from their own programs Higher education faculty members and language teacher preparation program coordinators who would like to better understand edTPA requirements and gain suggestions for necessary programmatic changes will find this book of interest The book is composed of eight chapters The authors begin by describing edTPA and how it became a national trend to assess beginning teacher ability In Chapter 2 the authors present ideas about curricular changes that may need to occur in traditional world language teacher education programs as well as suggestions to assist teacher candidates as they begin to develop their portfolios Afterward the authors discuss the context for learning Chapter 3 and they begin with assessment moving to

planning and then to instruction Chapters 4 5 6 In each chapter the authors discuss the work sample that teacher candidates must create an analysis of a high scoring portfolio and steps to stimulate teacher candidates professional thinking In Chapter 7 the authors present activities for the methods classroom In the final chapter the authors provide a critical analysis of edTPA in general and the world language edTPA in particular Understanding the World Language edTPA Research Based Policy and Practice provides readers with a much needed guide to inducting teacher candidates into the new portfolio requirements while helping higher education faculty make appropriate curricular changes to accommodate edTPA

**Illinois State Library Heritage Project 1839-2013** Tom Emery,2013 A history of the Illinois State Library chronicling its growth through 174 years **Getting at GET in World Englishes** Elisabeth Bruckmaier,2017-02-20 Despite its exceptional frequency and versatility GET has never been a focus of research in its entire variability which goes from lexical to grammatical uses nor in large amounts of data from different varieties of English The present corpus based study deals with over 11 600 tokens of GET in written and spoken language from three varieties of English and thus provides new insights for variationist linguistics Firstly it offers a comprehensive semasiological syntactic analysis of GET i e an analysis of all its meanings and all the constructions into which it enters suggesting ten categories as being necessary for its complete description Secondly it contributes to the understanding of factors that are at work in variation in World Englishes and lead to quantitative differences between regional standard varieties Thus the present study demonstrates that the use of GET in the New Englishes analysed is less affected by substrate effects than by the effects of Second Language Acquisition and the varying influence of British and American English norms Moreover it can be shown that the New Englishes display more grammatical uses of GET than does British English Local Economic and Employment Development (LEED) Better Use of Skills in the Workplace Why It Matters for Productivity and Local Jobs OECD,International Labour Organization,2017-11-02 This joint OECD ILO report provides a comparative analysis of case studies focusing on improving skills use in the workplace across eight countries **English Language-Mediated Settings and Educational Inequalities** Prashneel Ravisan Goundar,2025-03-17 In this book Goundar explores how educational inequalities are responsible for the way students perform in English language mediated school settings He seeks to establish an explicit connection between language testing and educational inequalities at the higher education level With its focus on higher education this research is a fresh reminder of the need to continuously revisit and unsettle inequalities that are embedded in education systems In the South Pacific context this study reveals the current issues including medium of instruction challenges lack of teaching and learning resources teacher shortages and language barriers Goundar s research seeks new answers to the problem of academic English language skills faced by undergraduate students Since English is a second language for the majority of students in Fiji and as the quality of education varies between urban and rural schools this cumulatively impacts students acquisition of English skills and consequently their university performance The important questions posed and addressed in this book are

as follows What are the language implications of colonisation on education in the South Pacific What resources and learning opportunities are provided in schools to promote equal access to education content for students from non English speaking backgrounds How do students from different schooling backgrounds in Fiji cope with an English language mediated university learning environment Do educational inequalities manifest in the performance of students from all schooling backgrounds or are they confined to specific sociocultural zones Drawing on a unique dataset from a context in the Global South this book provides new insights for a more holistic approach to examining academic language proficiency and the use of language testing English Language mediated Settings and Educational Inequalities Language Education Policy Agendas in the South Pacific is suitable for postgraduate students in language policy and planning multilingual language policies for schools medium of instruction studies and language testing and South Pacific studies

**Language and Law** Silvia Marino,Łucja Biel,Martina Bajčić,Vilelmini Sosoni,2018-10-30 The book provides an overview of EU competition law with a focus on the main developments in Italy Spain Greece Poland and Croatia and offers an in depth analysis of the role of language translation and multilingualism in its implementation and interpretation The first part of the book focuses on the main developments in EU competition law in action which includes legislation case law and praxis This part can be divided into two subparts the private enforcement of EU competition law and the cooperation among enforcers i e the EU Commission the national competition authorities and the national courts Language is of paramount importance in the enforcement of EU competition law and as such the second part highlights legal linguistic skills showcasing the advantages and the challenges of multilingualism especially in the context of the predominant use of English as the EU drafting and vehicular language The volume brings together contributions prepared and presented as part of the EU funded research project Training Action for Legal Practitioners Linguistic Skills and Translation in EU Competition Law

*Assessment of Feigned Cognitive Impairment, Second Edition* Kyle Brauer Boone, 2021-06-04 The go to resource for

clinical and forensic practice has now been significantly revised with 85% new material reflecting the tremendous growth of the field. Leading authorities synthesize the state of the science on symptom feigning in cognitive testing and present evidence based recommendations for distinguishing between credible and noncredible performance. A wide range of performance validity tests (PVTs) and symptom validity tests (SVTs) are critically reviewed and guidelines provided for applying them across differing cognitive domains and medical neurological and psychiatric conditions. The book also covers validity testing in forensic settings and with particular populations such as ethnic and linguistic minority group members. New to This Edition: Numerous new authors; a greatly expanded range of topics and the latest data throughout. Clinical primer chapter on how to select and interpret appropriate PVTs. Chapters on methods for validity testing in visual spatial processing speed and language domains and with cognitive screening instruments and personality inventories. Chapter on methods for interpreting multiple PVTs in combination. Chapters on additional populations: military personnel, children and adolescents and clinical problems: dementia, somatoform conversion disorder. Chapters on research methods for validating PVTs: base rates of feigned mild traumatic brain injury and more.

Voces María M. Carreira, Tom Beeman, 2014-10-28. Featuring hundreds of personal anecdotes by Latino college students against a backdrop of information on their culture, history and academic needs and strengths, this book offers a compelling and exacting view of the world of Latino students and their families. With a large percentage of public school students being Latino, the future of America is intertwined with that of Latino youth and their educational experience. Who are these children and how are they transforming and being transformed by this nation? *Voces Latino Students on Life in the United States* serves to answer these questions, putting the focus on the voices of Latino youth and presenting the research through the real world experiences and individual perspectives of Latino college students. The students' highly compelling yet rarely heard stories reveal the rewards and challenges of navigating two cultures and languages in school, home and their communities and offer suggestions for how best to help other Latino youth. The student contributions are analyzed against a backdrop of information on Latino Americans such as demographics, Spanish/English bilingualism, beliefs, traditions and cultural practices, putting special emphasis on factors that bear on the academic and social wellbeing of Latino youth. Taking an assets based approach, the book underscores the strengths of these students and spotlights how they are poised to enrich the American mosaic.
