Intent to Seduce by Cara Summers Dr MacKenzie Lloyd is determined that no husband of hers will ever leave so she's learned everything there is to know about the art of pleasing a man. But now it's time to put her knowledge into practice and when she finds herself alone with seriously sexy CEO Lucas Wainwright Mac decides to see if practice can make perfect. Lucas had no idea how incredible sex could be until Mac becomes his every fantasy in the flesh. But once Mac has proved all her theories will she start looking for another test subject?

A Glimpse of Fire by Debbi Rawlins One look at the mannequin in the Manhattan department store window and ambitious executive Eric Harmon knows no woman could be that perfect. But the leggy blonde is actually ex-model Dallas Shea and when he spies her at a stuffy corporate dinner he's got to find out if the mystery woman feels as authentic as she looks. Good thing Dallas is aroused too. Being Eric's mystery woman has had her hot 24/7. But there's only one way to keep the embers burning. Reveal nothing about herself, play up the fantasy. And pray he never gets more than a glimpse of the truth.

Creating Heritage for Tourism Catherine Palmer, Jacqueline Tivers, 2018-07-27 What does heritage mean in the twenty-first century? Traditional ideas of heritage involve places where objects, landscapes, people, and ideas are venerated and reproduced over time as an inheritance for future generations. To speak of heritage is to speak of a relationship between the past, the present, and the future. However, it is a past recreated for economic gain; hence sectors such as culinary tourism, ecotourism, cultural tourism, and film tourism have employed the heritage label to attract visitors. This interdisciplinary book furthers understanding on how heritage is socially constructed, interpreted, and experienced within different geographic and cultural contexts in both Western and non-Western settings. Subjects discussed include Welsh linguistic heritage, tango, mushroom tourism, Turkish coffee, literary tourism, and the techniques employed to construct tourist accommodation. By focusing upon heritage creation in the context of tourism, the book moves beyond traditional debates about authentic heritage to focus on how something becomes heritage for use in the present. This timely volume will be of interest to students and researchers in tourism, heritage studies, geography, museum studies, and cultural studies.

Aussie Yarns John McAulay, 2011-08-04 Aussie Yarns: some serious, some funny, and some philosophical. Most are about down-to-earth country folk. Some like *Rusty* and *A Farmer's Wife* have a lesson in them. Others are even a bit romantic, for example *Blind Love* and *Best Friends*. In a number of cases, the story is inspired by a poem already written, and in other cases, one is written specially, but in any case, all are accompanied by a poem or two and an explanation as to how it all came about. Primarily, these yarns were written with an Australian readership in mind, most of whom would understand and appreciate the slang words and phrases used, particularly by unsophisticated bushies. However, I imagine some of the terms may leave non-Australians a

bit perplexed Stick with it and by the time you've read *Witness for the Defence* you will have probably worked out what a sheila is along with all the other words and expressions that are uniquely Australian country in origin Enjoy the adventures of the 110 characters who play some role in these yarns **The Shorter Wisden 2011 - 2015** Scyld Berry, Lawrence Booth, 2015-08-06 The Shorter Wisden is a compelling distillation of what's best in its bigger brother Available from all major eBook retailers Wisden's digital version includes the influential Notes by the Editor all the front of book articles reviews obituaries and all England's Tests from the previous season Brought together for the first time here are the first five editions of The Shorter Wisden distilled from the Almanacks published between 2011 and 2015 *James B.
