Arleeon's shores The drakkons needed a weapon They needed fire But the gilded riders were not the only danger closing in on Esan the fortress protecting the eastern gateway into Arleeon The Mareritt a warrior race and an ancient enemy also move on them armed with weapons eerily similar to those the gilded riders use Weapons capable of destroying Esan's mighty walls But the biggest threat of all could be the dangerous secrets being held by Bryn's husband Damon Velez heir to the throne of Zephrene and a man she hadn't wanted to marry but might well be falling in love with A man whose magic could give the drakkons fire or utterly destroy them all

Shield of Fire Keri Arthur, 2024-03-19 A new relic hunt A new evil Resident Relic Hunter for Deva's Fae Council is a title Bethany Aodh n never wanted but it isn't like she has a choice And in truth the appointment might just aid her quest to find her mother's murderers because at least one of those responsible is a member of the council and getting access to their records could give her the connection and their identity But before she can be given her first task or even start her behind the scenes hunt a building belonging to Cynwrig L'tair the highborn dark elf who is not only her council liaison but lover is set alight and they barely escape with their lives It quickly becomes clear that the cause of the fire was a relic belonging to the god of smiths and fire capable of destroying anything made within a forge old or new And the man wielding it is an elf who stirs uneasy echoes of past darkness within Bethany As the attacks intensify and draw ever closer to home it's increasingly evident that not only do the keys to finding the culprits lie in the past Bethany can't remember but he's someone who knew her very well indeed Someone who has no qualms about doing whatever it takes to get what he wants from her Even if that means killing Lugh
