# **Trevor's First Flight**

Trevor was about to fly to New York to visit his cousins. He was excited about his first time on a plane.

He told his friend Alice about his trip, "I am going to fly on two different planes! I am going to fly to Boston. Then I am going to get on another plane and fly to New York!"

Alice asked him if he was nervous.

"No," Trevor said, "I am not going to be nervous. It is going to be fun!"

Alice asked, "What about rain ... and fog ... and snow ... and wind?"

"There is not going to be any bad weather, Alice! Everything is going to be fine!"

"Okay," Alice said, "but they are going to serve peanuts on the plane." (Trevor was allergic to peanuts.)

"I am not going to eat any peanuts, Alice. I am not going to get sick."

"Okay," Alice said, "But the plane is going to be really small. It is going to be really crowded. You are not going to have much room."

Trevor said, "I am going to be fine. I am going to sit in the back of the plane."

Alice said, "Then you are going to be next to the bathroom. It is going to be very busy."

Trevor said, "Alice, it is not going to be that busy!"

Alice said, "Okay, but it is going to be noisy in the back of the plane."

Forum, 1983 *Odyssey* William J. Kelly, Deborah L. Lawton, 1997-06 With its encouraging tone careful explanations and abundance of carefully sequenced and incrementally challenging exercise sets *Odyssey* enables readers to view writing as a means of discovering more about themselves and their surroundings The text's organization and self contained chapters within each part ensure cumulative skill development and allow flexibility in course design In every chapter the book offers a progression of exercises that begin with comprehension and practice of fundamental concepts Some exercise sets focus on invention and the writing of short pieces Readers can then proceed to exercises that call for critical thinking drafting and revision Grammar mechanics and punctuation chapters conclude with summary editing exercises that call upon readers to use all the grammar and sentence skills learned in the chapter Many chapters contain a pair of *Discovering Connections* exercises The first which falls early in the chapter is a prewriting assignment with an array of topic possibilities The second is a drafting and revision exercise based upon the prewriting and calls for peer review For those interested in developing their writing skills at the paragraph to essay level

Writing from These Roots John Duffy, 2007-01-01 *Writing from These Roots* documents the historical development of literacy in a Midwestern American community of Laotian Hmong a people who came to the United States as refugees from the Vietnam War and whose language had no widely accepted written form until one created by missionary linguists was adopted in the late twentieth century by Hmong in Laos and later the U S and other Western nations For this reason the Hmong provide a unique opportunity to study the forces that influence the development of reading and writing abilities in cultures in which

writing is not widespread and to do so within the context of the political economic religious military and migratory upheavals classified broadly as globalization Drawing on life history interviews collected from Hmong refugees in a Wisconsin community this book examines the disparate political and institutional forces that shaped Hmong literacy development in the twentieth century including in Laos French colonialism Laotian nationalism missionary Christianity and the CIA during the Vietnam War It further examines the influences on Hmong literacy in the U S including public schooling evangelical Christianity
