Introduction to Corporate Finance William L Megginson, Scott B. Smart, 2008-03-06 Finally there is a choice in corporate finance and it s all from one textbook INTRODUCTION TO CORPORATE FINANCE 2E fills a void by providing a text that

meets the needs of finance majors while remaining accessible to nonmajors who make up a large percentage of the classroom. It delivers the ideal solution for instructors challenged with keeping students of varying degrees of ability and interest motivated and invested in the material. It does this with timely real world relevance, innovative learning tools, an integrated approach, and versatile resources. With four basic versions available, the book gives instructors and students a choice in the way their text is delivered. Theoretically sound, **INTRODUCTION TO CORPORATE FINANCE** incorporates examples throughout to give students the real life experiences they need to effectively learn corporate finance and apply it to their own lives. Extremely fluid, the entire text moves students to learn finance smoothly, providing an easy flow from text chapters to review materials to the interactive website. In addition, the authors made the visual process of determining what tools and resources are most important through the S M A R T program. Study Map Access Review Test allows students to see the entire chapter as a whole.
