Finding Will Hennie:

Finding Will Hennie Joy Redmond, 2014-09-26 Will Hennie is kept in a dark box by a woman called Bee. He is only let out to eat and use the outhouse and occasionally for a visit with a nice woman he knows as Gram. Otherwise he is not to be seen or heard especially not by the man of the house. Then one day the man comes home early and catches Will out of his box. He knocks Will upside the head and when he wakes Bee is sending him away with nothing but the clothes he has on and a few pieces of chicken. When Will Hennie is kicked out of his home and sent out into the world on his own with nowhere to go he is eight years old. This is the beginning of Finding Will Hennie.

Precarious Power Susan Booysen, 2021-02-01 An incisive analysis of South Africa's ANC power as party, as government, as state. South Africa's African National Congress (ANC) is in decline; its hegemony has been weakened, its legitimacy diluted. President Cyril Ramaphosa's appointment suspended the ANC's electoral decline; it also heightened internal tensions between those who would deepen its acquired status as corrupt and captured and those who would remodel it as redeemable. These are the incontrovertible knowns of South African politics; what will evolve from this is less certain. In *Precarious Power*, renowned political scientist Susan Booysen uses in-depth research and analysis to distill that which is bound to shape South Africa's political future. Booysen focuses on contradictory party politics and internal ANC dissent that is veiled for the sake of retaining an electoral following. Also exposed is the incongruous populist policymaking, protest politics, and the use of soft law to ensure it does not alienate angry citizens fueling further discontent and protest. The ANC's power has become exceedingly precarious. *Precarious Power* is the name of the political game for the foreseeable future. The comprehensive analysis in *Precarious Power* will appeal not only to political scientists and postgraduate students but to all who take a keen interest in current affairs.

Warrior Kylie Quillinan, 2023-03-20 The Catalyst has woken and danger is closer than ever before. Reunited at last with Hennie and the girls, Tey discovers all three are changed from when she last saw them. As their pursuers catch up to them yet again, Tey realises they must be leaving a trail behind them. She just can't figure out how. It is only when she learns the Catalyst's identity that she will understand the truth. But can she decipher
