FI Pearson World History Answer:

The First World Empire Hélder Carvalhal, André Murteira, Roger Lee de Jesus, 2021-04-05 This book offers a comprehensive overview of the early modern military history of Portugal and its possessions in Africa the Americas and Asia from the perspective of the military revolution historiographical debate The existence of a military revolution in the early modern period has been much debated in international historiography and this volume fills a significant gap in its relation to the history of Portugal and its overseas empire It examines different forms of military change in specifically Portuguese case studies but also adopts a global perspective through the analysis of different contexts and episodes in Africa the Americas and Asia Contributors explore whether there is evidence of what could be defined as aspects of a military revolution or whether other explanatory models are needed to account for different forms of military change In this way it offers the reader a variety of perspectives that contribute to the debate over the applicability of the military revolution concept to Portugal and its empire during the early modern period Broken down into four thematic parts and broad in both chronological and geographical scope the book deepens our understanding of the art of warfare in Portugal and its empire and demonstrates how the military revolution debate can be used to examine military change in a global perspective This is an essential text for scholars and students of military history military architecture global history Asian history and the history of Iberian empires Chapter 7 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

The World and the Word: Making Sense of Social Science in an Age of Conflict, Opposition, and Grace Dr. Herbert L. Green Jr., 2017-08-24 Jesus very presence as the New Testament age unfolded 1st century A D engendered opposition created conflict while ushering in grace His ideas were considered radical Why is this so The NIV Archeological Study Bible 2005 NIV Student Bible et al and corroborating Extra Biblical evidence provide a context for the Word view about Jesus in Biblical history and supports aspects of the social and physical sciences in terms of cultural socio economic political historical archeological and philosophical apologetics evidence As the pages of this book unfold there is an internal consistency with social science and The Bible However where such consistency appeared to diverge this author attempts to filter out the noise by applying critical thinking criteria to a Worldview that may not be consistent with the Word view The goal of this book therefore is to provide some exposition Greek apologia of the Word and see how the World fits Born again Christians can be credible scientists and not compromise Gods Word After thoughtful reading please send reflective comments to Dr Herb Green Jr at docgreen48@outlook.com
