General Ability Test Questions And Answers:

General Ability Tests Alan Horsfield, Elaine Horsfield, 2004 Excel Test Skills General Ability Tests Year 4 is the second in a four book series for Years 3-6 which help students with the skills they need to excel in general ability tests. General ability testing covers areas such as logic, general knowledge and reasoning and forms part of many primary school tests used throughout Australia. The book contains sample questions covering all the main question types found in Year 4 general ability tests, a section of practice questions with hints on how to answer each different type of question, twelve practice tests to measure progress, helpful advice for sitting general ability tests, answers to all questions plus explanations when required. The first section of this book introduces the student to the types of questions he/she can expect to meet in GA tests. This is followed by twelve GA tests. This book provides the opportunity for students to maximise their speed in answering GA questions by making them familiar and efficient with some of the types of questions they may encounter in such tests.

Selective Schools and Scholarship General Ability Tests James A. Athanasou, 1999 Excel Tests Selective Schools and Scholarship General Ability Tests Years 5-6 is a comprehensive study guide for the General Ability section of the Selective Schools and Scholarship Tests usually undertaken in Year 6. The questions test a wide variety of skills including word knowledge, number series, analogies, reasoning, spatial ability and anagrams. In this book, your child will find an introductory section on how best to prepare for the Selective Schools and Scholarship examinations, nine multiple choice General Ability Tests, answers to all questions, explanations that outline the thinking skills required for each question, a table for each test that allows you to pinpoint problem areas.

General ability testing covers areas such as logic, general knowledge and reasoning and forms part of many primary school tests used throughout Australia. The book contains sample questions covering all the main question types found in Year 6 general ability tests, a section of practice questions with hints on how to answer each different type of question, twelve practice tests to measure progress, helpful advice for sitting general ability tests, answers to all questions plus explanations when required. An amount of mystery surrounds general ability testing. This is probably because it is not an actual subject such as Science or Mathematics. General ability testing is based upon the student's ability to think and reason, but most of the questions are based on normal classroom subject matter. This practice book is intended to demystify GA tests, thereby giving the student the confidence to respond positively to the test and maximise his/her score.
