Customer service : human capital management at selected public and private call centers : report to the Chairman, Subcommittee on Oversight, Committee on Ways and Means, House of Representatives , Consumer's Resource Handbook ,1996 Practical Handbook of CUSTOMER SERVICE OPERATIONS Warren Blanding,2012-12-06 Even the most casual reader leafing through the pages of this book will quickly realize that it is not the thoughts of one individual set down on paper but rather the synergism of many people Herbert Goeler of American Cyanamid and Keith Slater of Johns Manville the latter now retired are certainly the brightest stars in my particular customer service galaxy They have been well springs of information thinkers and thought starters friends and fellow believers for almost two decades Without the encouragement and inspiration they gave me this book would be much shorter and far less relevant In 1984 my firm presented Herb and Keith with our special Patron Saint Award it doesn't say nearly enough for what they have meant to me personally and through me to the field of customer service management where I disseminate ideas and guidance as an editor and teacher Some years ago the American Management Associations asked me to chair a series of seminars on Customer Service Management in the U S and Canada Through this activity I met many wonderful people who in many cases taught me more than I taught them

Strategic Customer Service John A. GOODMAN,2009-05-13 The success of any organization depends on high quality customer service But for companies that strategically align customer service with their overall corporate strategy it can transcend typical good business to become a profitable word of mouth machine that will transform the bottom line Drawing on over thirty years of research for companies such as 3M American Express Chik Fil A USAA Coca Cola FedEx GE Cisco Systems Neiman Marcus and Toyota author Goodman uses formal research case studies and patented practices to show readers how they can calculate the financial impact of good and bad customer service make the financial case for customer service improvements systematically identify the causes of problems align customer service with their brand harness customer service strategy into their organization's culture and behavior Filled with proven strategies and eye opening case studies this book challenges many aspects of conventional wisdom using hard data and reveals how any organization can earn more loyalty win more customers and improve their financial bottom line
