

A photograph of a wooden walkway with railings, leading through a dense forest. The walkway is made of wooden planks and has a dark, possibly wet, section in the middle. The railings are made of wood and run along both sides of the path. The trees are tall and leafy, creating a canopy overhead. The lighting is soft and natural, suggesting a daytime setting in a wooded area.

You've gotta find a way to
get out of your own way,
so you can progress in life.
