**Adrian's Perception** Terrence Antoine, 2014-07-11 Today I awoke Like any other day Today was the first and my last day Today is the day that I take my life Today is the day that I take this one last walk I have all the stuff And I will even carry the pain But this isn't no ordinary walk You see this walk defines me It will let you see all of my You will know my naked truth Today in this last walk You will see all I was once a happy child with smiles and cheer I had the mother the father and the sisters to share With family and friends that followed near I had an aunt the loved me o so dear But later that year the tears began to fall And my tears begun to follow so close in the air Right foot left foot Just as easy I lost my dad to the streets that he loved so dear Later she said I love you so dear And she died the aunt that loved me o so dear With less than 15 steps I would take near I would almost lose my mother 3 times that year With father nowhere in sight my sister step in so dear The walk isn't over with more to come 20 more steps and she molested me 5 more and I never trusted no more since then 10 more steps I take And I see me with 10 more suicide attempts Failure came with no success So my heart became depressed With comfort in food and my world Where I found little boy blue As the steps continue my life flashes by All that haunts me and where I said goodbye With 6 more steps I take I found friends but I also found hate Hate from others and yes that includes family and friends With one step that adds seven now I hate myself once more now 18 steps more I take and I end up at a street light Red means stop but with me it means rage With not much more to go now With a flame that use to burn bright with a fellow And yes he was my knight But thought from my head with unexplained truth And the taste for the world Took me 9 step further away When it ended with 25 steps of one night stands And a gift to carry with my souls that is now save But at a cost of family friends and a love life that is no more 5 more steps now and the rode is almost there With the last few tears follow the steps One more step and I stand here With all my secrets exposed And a body that bares it all with the marks and there no end Today I took my last walk And step by step I told my life And I wonder why I am still alive And why he hasn't taken my life or why he won't let me take my own Oddly he speaks to me and says you're not done With every step you took was an obstacle and when I pushed You pushed back Don't give up now when you're almost done I know your story now the world does to Now show them what you can do You beaten the odds over and over again Now this year it's the end you fight once more And my blessed child you shall win Today I awoke with and end insight and now I see I must begin again But this time with happiness insight at the end **Driver** ,1984 Survival

Driving Robert H. Deatherage, Jr., 2021-08-24 Survival Driving Staying Alive on the World's Most Dangerous Roads Second Edition was written to inform and protect to keep people alive by making them more situationally aware. Any person is a potential target either from a criminal or a terrorist threat depending on your profession and the type of environment you live and work in. Driving is the most important part of a person's security program whether the person is traveling alone or the executive being moved by his or her security detail. The book is written in plain, easy-to-understand language providing straight forward guidance that outlines tools to ensure security whenever in transit in a vehicle. This includes making themselves a hard target in order to avoid attack. While most terrorist or criminal attacks are difficult to predict, the majority of attacks take place when a person is in transit. By providing tools such as route analysis, identifying choke points, learning where safe havens are located along a route, individuals are able to predict the places that are most vulnerable and take steps to ensure safety. VIPs, executives, those working in or traveling to volatile regions of the world, and those hired to protect such individuals will equally learn how to detect surveillance when it is targeted against them when they are the potential target. Failing this, the book also provides the tools a person needs to break contact and escape when an attack against them while moving in their vehicle occurs. The book covers basic and advanced driving skills and instructs on how to best understand the transport vehicle and its capabilities. Key Features: Instructs readers on how to recognize and anticipate potential attack sites during movement. Illustrates how to properly maintain a vehicle at peak performance in different environments so it will work as required when needed. Describes vehicle dynamics and specifically how a vehicle can be used as a tool to protect and aid escape when under attack. Outlines the ways individuals can become more situationally aware in their movements. Maps out key security driving elements such as steering, braking, vehicle dynamics, and evasive maneuvers to escape amidst a threat. By raising situational awareness, increasing knowledge of the attack cycle, and outlining the nature of threats, Survival Driving can transform any reader from a soft target to an informed hard target who threat actors will want to avoid. **The**
