Get Me Out Of Here:

Get Me Out of Here! Andy McNab, Phil Earle, 2020-12-01 Friendship heart and awkward middle school humor come together in this laugh out loud adventure as a group of kids take a class trip that doesn't quite live up to their expectations. It's all fun and games until you lose cell service. When an epic class trip to Wild Out an Outward Bound like adventure weekend involving rock climbing kayaking and zip lining is announced Danny Mack and his best friends are thrilled. But when one of the teachers gets sick and Danny's mean older brother volunteers to chaperone the weekend seems doomed to be a disaster. When the group arrives at the campground they discover that they'll be sleeping in tents instead of cabins milking cows for their breakfast oatmeal and using a toilet without modern plumbing OR TOILET PAPER. Not at all the adventure they thought it would be. Bestselling author Andy McNab and award winning author Phil Earle join forces for the very first time and the results are hilarious. Brilliantly illustrated by Robin Boyd. *Get Me Out of Here* is full of laughs and heart but at its core it's a story of friendship resilience and determination.

Get Me Out of Here Henry Sutton, 2011-05-31 This dark satire about an entitled young banker in a downward spiral is a very modern and thoroughly haunting piece of work. *The Sunday Telegraph* It's 2008 and Matt Freeman is living in London desperately trying to keep a toehold in the financial world by running a shadow banking business with contacts in North Korea and Iran. He is furious with the emptiness and impermanence of twenty first century life but addicted to the allure of luxury possessions cars watches bespoke suits. And meanwhile there is the question of why the women in Matt Freeman's life seem to disappear. Capturing one of the world's financial capitals at a crucial moment poised between extravagant excess and a terrifying recession *Get Me Out of Here* is a satirical psychological thriller about the rage and desperation that come with the expectation of money for nothing. By turns darkly comic and unnerving Sutton's novel possesses a moral authority rare in contemporary fiction.

A mother wife and working professional Reiland was diagnosed with borderline personality disorder at the age of 29 a diagnosis that finally explained her explosive anger manipulative behaviors and self destructive episodes including bouts of anorexia substance abuse and promiscuity. A truly riveting read with a hopeful message. Excerpt My hidden secrets were not well concealed. The psychological profile had been right as had the books on BPD. I was manipulative desperately clinging and prone to tantrums explosiveness and frantic acts of desperation when I did not feel the intimacy connection was strong enough. The tough chick loner act of self reliance was a complete facade.
