The Empire's of J. G. Ballard David Ian Paddy,2015-08-25 J G Ballard once declared that the most truly alien planet is Earth and in his science fiction he abandoned the traditional imagery of rocket ships traveling to distant galaxies to address the otherworldliness of this world The Empires of J G Ballard is the first extensive study of Ballard s critical vision of nation and empire of the political geography of this planet Paddy examines how Ballard s self perceived status as an outsider and exile the Sheppertonian from Shanghai generated an outlook that celebrated worldliness and condemned parochialism This book brings to light how Ballard wrestled with notions of national identity and speculated upon the social and psychological

implications of the post war transformation of older models of empire into new imperialisms of consumerism and globalization Presenting analyses of Ballard s full body of work with its tales of reverse colonization psychological imperialism the savagery of civilization estranged Englishmen abroad and at home and multinational communities built on crime *The Empires of J G Ballard* offers a fresh perspective on the fiction of J G Ballard *The Empires of J G Ballard An Imagined Geography* offers a sustained and highly convincing analysis of the imperial and post imperial histories and networks that shape and energise Ballard s fictional and non fictional writings To what extent can Ballard be considered an international writer What happens to our understanding of his post war science fictions when they are opened up to the language and logics of post colonialism And what creative and critical roles do the spectres of empire play in Ballard s visions of modernity Paddy follows these and other fascinating lines of enquiry in a study that is not only essential reading for Ballard students and scholars but for anyone interested in the intersections of modern and contemporary literature history and politics Jeanette Baxter Anglia Ruskin University Shanghai made my father Arriving in England after WW2 he was a person of the world who d witnessed extremes of human experience and remained the outsider observing life from his home in Shepperton 1930s Shanghai Paris of the East was a mix of international sophistication and violence unfettered capitalism and acute poverty American cars martinis and Coca Cola a place marked by death and war It had a profound influence on my father and his imagination Dr Paddy s fascinating book explores my father s fiction within an international context and offers a profound reading of a man who always kept his eyes and mind open to the world Fay Ballard *Popular Mechanics* ,1944-05 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *The British National Bibliography* Arthur James Wells,2001 *The Children's Buyer's Guide* ,2004 *The Times TV and Video Guide* D.
