Talking Leaves, 2000 *Leading with God's Heart* Bishop Eric Turgott, 2025-10-04

Leading with God's Heart is a powerful and timely exploration of spiritual leadership rooted in the character, compassion, and calling of God. In a world where leadership is often defined by charisma, control, or popularity, this book calls leaders back to the heart of God, where integrity, humility, and service are the foundation. Drawing from biblical examples, personal experience, and pastoral insight, *Leading with God's Heart* addresses the challenges and rewards of leadership in the church, the home, and the broader community. Topics such as leading through crisis, raising the next generation, balancing marriage and ministry, and cultivating a heart of a servant leader are thoughtfully unpacked with clarity and conviction. Whether you are a pastor, ministry leader, mentor, or simply someone who desires to lead well in any sphere of life, this book is both a guide and a call to deeper spiritual alignment. It reminds readers that true leadership begins not with a position but with a posture: a heart surrendered to God. This book will inspire, equip, and challenge you to lead not with mere human strength but with the wisdom, courage, and compassion that comes from leading with God's heart.
