## **Happy Birthday For Concert Band:**

**Women of Influence in Contemporary Music** Michael K. Slayton, 2010-12-23 In *Women of Influence in Contemporary Music: Nine American Composers* Michael K. Slayton has collected essays which focus on women who have made significant contributions to American music: Elizabeth Austin, Susan Botti, Gabriela Lena Frank, Jennifer Higdon, Libby Larsen, Tania León, Cindy McTee, Marga Richter, and Judith Shatin. While these composers have much in common, not least of all dedication to their art, their individual stories reveal different impulses in American music. Their works reflect the shifting societal landscapes in the United States over the last seven decades as well as different stylistic approaches to writing music. Each chapter includes a biography of the composer, an interview, and a detailed analysis of one major composition. The composers openly reflect on their individual journeys in which they have discovered respective musical languages and have found success during different times in history. Because few music books focus solely on female composers, *Women of Influence in Contemporary Music* offers a rare glimpse into the styles and attitudes of gifted women and their work. **Orchestral "Pops" Music** Lucy Manning, 2013-10-10 In this second edition of *Orchestral Pops Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful pops concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material, or worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral pops concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral Pops Music* includes at least 1,000 new title listings. *Orchestral Pops Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras. [Samuel Barber](#) Howard Pollack, 2023-04-04 A pivotal twentieth-century composer, Samuel Barber earned a long list of honors and accolades that included two Pulitzer Prizes for Music and the public support of conductors like Arturo Toscanini, Serge Koussevitzky, and Leonard Bernstein. Barber's works have since become standard concert repertoire and continue to flourish across high art and popular culture. Acclaimed biographer Howard Pollack's account of Aaron Copland, George Gershwin, and Samuel Barber offers a multifaceted account of Barber's life and music while placing the artist in his social and cultural milieu. Born into a musical family, Barber pursued his artistic ambitions from childhood. Pollack follows Barber's path from his precocious youth through a career where from

the start the composer consistently received prizes fellowships and other recognition Stylistic analyses of works like the Adagio for Strings the Violin Concerto Knoxville Summer of 1915 for voice and orchestra the Piano Concerto and the operas Vanessa and Antony and Cleopatra stand alongside revealing accounts of the music s commissioning performance reception and legacy Throughout Pollack weaves in accounts of Barber s encounters with colleagues like Aaron Copland and Francis Poulenc performers from Eleanor Steber and Leontyne Price to Vladimir Horowitz and Van Cliburn patrons admirers and a wide circle of eminent friends and acquaintances He also provides an eloquent portrait of the composer s decades long relationship with the renowned opera composer Gian Carlo Menotti Informed by new interviews and immense archival research Samuel Barber is a long awaited critical and personal biography of a monumental figure in twentieth century American music
