International Journal of Religious Education ,1927 **Mortal Goods** Ephraim Radner,2024-03-19 This book by one of today s leading theologians examines how Christians might more faithfully and realistically imagine their political vocation Ephraim Radner explains that our Christian calling is to limit our political concerns to the boundaries of our created lives our birth parents siblings families brief persistence in life raising of children relations decline and death He shows that a Christian approach to politics is aimed at tending and protecting these mortal goods and argues for a more constrained view of our mortal life and our political duty than is common in both progressive and conservative Christian perspectives Radner encourages us to take seriously what is most valuable in our lives and allow this to shape our social posture Our vocation is to offer our limited life to God give thanks for it and glorify God by living our lives as a gift Radner also shows how catastrophe reveals our time to be fragile bounded and easily overturned And he exposes betterment which lies behind most modern politics as a false motive for human life The book concludes with a vision of the good life articulated in the form of a letter to his adult children *Harper's Young People* ,1890 *Apologetics Study Bible for Students-HCSB* Sean McDowell,Holman Bible Staff,2010-02 Black brown cream imitation leather cover **CSB Apologetics Study Bible for Students, Gray/Navy LeatherTouch** Sean McDowell,CSB Bibles by Holman,2017-07 Now updated with even more material the CSB Apologetics Study Bible for Students anchors young Christians in the truths of Scripture and equips them with thoughtful responses when the core issues of their faith are challenged The resources in this student Bible were curated by general editor Dr Sean McDowell and the core materials in the Bible explore over 130 of the top questions students are asking today This student study Bible is updated with new articles and extensive apologetics study material from today s most popular youth leaders and apologists to reflect relevant apologetics issues and questions of today This student Bible is uniquely created to encourage students to ask tough questions get straight answers and see their faith strengthened as they engage in Bible study and with others around them The features in this study Bible Include Presentation page Book introductions Study notes Articles from popular youth leaders and Christian apologetics leaders including editor Sean McDowell Sixty Twisted Scripture explanations for commonly misunderstood passages Fifty Bones Dirt entries archaeology meets apologetics Fifty Notable Quotes Twenty five Tactics against common anti Christian arguments Twenty Personal Stories of how God has
