Handbook of Research on Human Social Interaction in the Age of Mobile

Devices Xu, Xiaoge, 2016-06-16 Digital innovations such as mobile technologies have had a significant impact on the way people relate to one another as well as the way they obtain and distribute information. As mobile devices continue to evolve, it has become easier to socialize; however, these mobile advancements have also made certain aspects of interaction more complex. The *Handbook of Research on Human Social Interaction in the Age of Mobile Devices* features an interdisciplinary perspective on mobile innovations and the use of this technology in daily life. Investigating the successes, issues, and challenges of the utilization of mobile technology, this handbook of research is a comprehensive reference source for professionals, educators, policymakers, and students interested in the impact these devices have on digital interaction, media, and communication.

The Routledge Handbook of Hospitality Management Ioannis S. Pantelidis, 2014-03-26 Hospitality is an industry characterised by its complex nature and numerous sectors including hotels, hostels, B&Bs, restaurants, pubs, nightclubs, and contract catering. However, despite its segmentation, there are key issues that are pertinent to all subsectors. The *Routledge Handbook of Hospitality Management* adopts a strategic approach and explores and critically evaluates current debates, issues, and controversies to enable the reader to learn from the industry's past mistakes as well as future opportunities. Especially relevant at a time when many sectors of the industry have to re-evaluate and reinvent themselves in response to the economic downturn, the Handbook brings together specialists from both industry and academia and from a range of geographical regions to provide state-of-the-art theoretical reflection and empirical research. Each of the five inter-related sections explores and evaluates issues that are of extreme importance to hospitality organisations, many of which have not been adequately explored before: external and internal customers, debates surrounding finance, uncertainty, risk, and conflict, sustainability, and e-Hospitality and Technology. This book is an invaluable resource for all those with an interest in hospitality, encouraging dialogue across disciplinary boundaries and areas of study. It is essential reading for students, researchers, academics, and managers of Hospitality as well as those of Tourism, Events, Marketing, and Business Management.

The Unofficial Guide to Disneyland 2025 Seth Kubersky, Bob Sehlinger, Len Testa, Guy Selga Jr., 2024-09-10 Save time and money with in-depth reviews, ratings, and details from the trusted source for a successful Disneyland vacation.
