

HP LaserJet M1522 MFP series

M1522n • M1522nf

Multiple users can do more with this reliable, easy-to-use MFP—at just the right price.

A great value

Want an affordable MFP that takes care of business? Now you can get the professional print quality and time-saving features typically only available with HP's robust workgroup and department laserjets. It's all in the innovative design of our easy-to-use, all-in-one print cartridge: featuring built-in intelligence and new, patented spherically shaped toner that delivers bold, crisp text and sharp images at fast speeds. Boost workteam efficiency with built-in networking. Count on broad compatibility, proven reliability, improved security, IPv6 support, and exceptional device management tools.

Powerful features

Experience worry-free operation and refresh your MFP with Original HP print cartridges. They communicate with the MFP to automatically optimize print quality, provide alerts when supplies run low, and facilitate convenient supplies reordering.

Order at the first alert, click Snooze to postpone ordering, or shop anytime with the new Shop for Supplies desktop icon that links to HP SureSupply.¹

Designed to fit seamlessly into your office environment, the MFP supports Windows Vista™ and numerous other operating systems. Easily print complex documents with high-end printer languages, including PCL5e, PCL6, and HP postscript level 3 emulation.

Fax documents at up to 33.6 kbps and enjoy digital storage for up to 300 pages. Use private receive to securely store faxes on the device until you are ready to print them. And with Fax/TeI, your MFP will determine if the call is a voice or a fax call, eliminating the need for a separate fax line.²

Fast multi-tasker

Do more—three times more—with one compact device that prints, scans, copies, and faxes.³ The MFP features print and copy speeds of up to 24 pages per minute (ppm). Other MFPs need time to warm up before printing the first page, but with Instant-on Technology³, typical office jobs print up to two times faster from Powersave mode than devices without Instant-on Technology. And Instant-on Copy with LED-based technology delivers your first copy in seconds—even first thing in the morning.

¹ For more information, visit www.hp.com/go/sure supply.

² Fax capabilities are included on the HP LaserJet M1522nf MFP model only. A handset is required to use the FaxTel feature.

³ Instant-on Technology uses cutting-edge laser technology to produce the first page faster when a printer is coming out of Powersave mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long.
