ENGLISH

[According to the Syllabus of 2014]

SECOND PAPER

Subject Code :

1

0

8

Time—2 hours

Full marks—50

[N.B.—The figures in the right margin indicate full marks.]

Section A—Grammar

Marks—30

1. Fill in the gaps of the following text with appropriate articles. Put a cross for zero articles:—

Marks
0.5×6=3

Always speak (a) — truth. Never tell (b) — lie. Nobody believes (c) — liar. Even if he is (d) — truthful he is considered to be (e) — liar. Nobody in (f) — world is as unfortunate as he.

2. Fill in the blanks of the following text with prepositions given in the box below:—

0.5×6=3

in	for	to	with	from	of
----	-----	----	------	------	----

An honest man is true (a) — his word. He does not deviate (b) — the path of honesty. He knows that true peace consists (c) — honesty. He may have want (d) — money but greed cannot overpower him. He has no ambition (e) — worldly things. He is content (f) — what he has.

3. Make four sentences from the substitution table:—

1×4=4

Mere bookish knowledge	makes	our outlook and orientation.
Travelling	widens	us free from superstition.
It	is	perfection to our bookish or theoretical knowledge.
	gives	not enough for us.

4. Change the following passage into indirect speech:—

1×4=4

“My sons, a great treasure lies hidden in the land there. I am going to leave it as I shall die soon.” said the old father. Being curious, the sons said, “How shall we find it?” “You must dig the land for it.” said the old man.

Jsc Board Questions 2014

M Carnoy

Jsc Board Questions 2014:

Arethuse 1/2 2014 Ambrosio Sempere, Francesco Testa, Maria Rosaria Marcone, Juan Carlos Rodriguez Cohard, Maurice Goze, Pierre-Xavier Meschi, Antonio Minguzzi, Antonella Reitano, Carmen Calderón Patier, Marilynne Peyrefitte, Kiane Goudarzi, 2014-08-01 In the first issue many very interesting research papers have been submitted from qualified international Scholars We propose an overview about the main research streams that have been chosen by the Authors This mapping process provides the opportunity to check the guidelines for the study of economic and managerial phenomena that international scholars have followed for thirty years in the international associations that deal with economics and management called ARETHUSE

Corporate and Unitary Legal Entities in Russia Florian Heindler, 2018-04-19 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the law of business formations in Russia provides quick and easy guidance on a variety of corporate and partnership considerations such as mergers rights and duties of interested parties stock exchange rules labour laws and takeovers Lawyers who handle transnational business will appreciate the explanation of local variations in terminology and the distinctive concepts that determine practice and procedure A general introduction covering historical background definitions sources of law and the effect of international private law is followed by a discussion of such aspects as types of formation capital shares management control liquidation mergers takeovers holding companies subsidiaries and taxation Big companies various types of smaller entities and partnerships are all covered in turn These details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Thorough yet practical this convenient volume puts the information necessary for corporations to compete effectively at the user s fingertips An important and practical tool for business executives and their legal counsel interested in engaging in an international partnership or embarking on corporate expansion this book will prove a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in Russia will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative business law

Nordic Food Transitions Jesper Manniche, Bjornar Saether, 2018-12-07 The ambition of the book is to investigate a possible transition in the markets for food in the Nordic countries Six chapters from various disciplinary traditions study change and innovation within the food sectors in Denmark Sweden and Norway while an introductory chapter discusses the findings of these analyses Specialty food has established a strong position within product categories such as craft beer in Denmark and organic food in Sweden but has failed to do so in others The emergence of markets for specialty foods have been promoted by top down policy initiatives and bottom up entrepreneurial efforts Far from providing the only relevant platform for food transition and innovation the New Nordic Food manifesto has helped creating a territorialized action space for networks of food producers and distributors promoting diversity in local food and rural development Some of the specialty food networks have succeeded in re scaling their

operations from a local to a national market Today even large retailers and food processing companies have to pay notice to the ongoing changes among consumers There is however a paradoxical constraint in a transition towards specialty food A large scale transition would imply that producers and consumers abandon precisely what constitute them their exclusiveness The chapters were originally published in a special issue of European Planning Studies

Judicial Review of Administrative Action Swati Jhaveri, Michael Ramsden, 2021-03-18 Explores the English origins of the principles of judicial review in common law jurisdictions and autochthonous pressures for their adaptation

Concentrate Questions and Answers Tort Law Karen Dyer, Anil Balan, 2022 Concentrate Q the content is exceptional Wendy Chinenye Akaigwe London Metropolitan University Take it online The 2nd edition is available in paperback or e book Visit www.oup.com/lawrevision for multimedia resources to help you with revision and assessment

Corporate Governance in Central Europe and Russia Maria Aluchna, Samuel O. Idowu, Irina Tkachenko, 2020-03-04 This book examines corporate governance through a holistic lens that integrates financial social and environmental goals e g increasing transparency and disclosure In addition it investigates the theoretical assumptions guiding the current corporate governance practices adopted by companies in Central Europe and Russia The book presents a dynamic study on the evolution of corporate governance systems which were practically non existent just 30 years ago In turn it addresses criticism leveled at corporate governance its impact on the outbreak of the financial crisis and recommendations for changes after the crisis The book employs a regional focus exploring a group of countries that have often been neglected in corporate governance research Carefully selected data and a variety of case studies prepared by leading authors from the region provide evidence to support the analysis

Yearbook of International Organizations 2013-2014 (Volumes 1a-1b) Union Of International Associations, Union of International Associations, 2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events

Achieving Science with CubeSats National Academies of Sciences, Engineering, and Medicine, Division on Engineering and Physical Sciences, Space Studies Board, Committee on Achieving Science Goals with CubeSats, 2016-11-06 Space based observations have transformed our understanding of Earth its environment the solar system and the universe at large During past decades driven by increasingly advanced science questions space observatories have become more sophisticated and more complex with costs often growing to billions of dollars Although these kinds of ever more sophisticated missions will continue into the future small satellites ranging in mass between 500 kg to 0.1 kg are gaining momentum as an additional means to address targeted science questions in a rapid and possibly more affordable manner Within the category of small satellites CubeSats have emerged as a space platform defined in terms of 10 cm x 10 cm x 10 cm sized cubic units of approximately 1.3 kg each called U s Historically CubeSats were developed as training projects to expose students to the challenges of real world engineering practices and system design Yet their use has rapidly spread within academia industry and government agencies both nationally and internationally In particular CubeSats have caught

the attention of parts of the U S space science community which sees this platform despite its inherent constraints as a way to affordably access space and perform unique measurements of scientific value The first science results from such CubeSats have only recently become available however questions remain regarding the scientific potential and technological promise of CubeSats in the future Achieving Science with CubeSats reviews the current state of the scientific potential and technological promise of CubeSats This report focuses on the platform s promise to obtain high priority science data as defined in recent decadal surveys in astronomy and astrophysics Earth science and applications from space planetary science and solar and space physics heliophysics the science priorities identified in the 2014 NASA Science Plan and the potential for CubeSats to advance biology and microgravity research It provides a list of sample science goals for CubeSats many of which address targeted science often in coordination with other spacecraft or use sacrificial or high risk orbits that lead to the demise of the satellite after critical data have been collected Other goals relate to the use of CubeSats as constellations or swarms deploying tens to hundreds of CubeSats that function as one distributed array of measurements

International Practices to Promote Budget Literacy Harika Masud, Helene Pfeil, Sanjay Agarwal, Alfredo Gonzalez Briseno, 2017-08-09 Budget literacy is defined as the ability to read decipher and understand public budgets to enable and enhance meaningful citizen participation in the budget process It is comprised of two main parts i a technical understanding of public budgets including familiarity with government spending tax rates and public debt and ii the ability to engage in the budget process comprising of practical knowledge on day to day issues as well as an elementary understanding of the economic social and political implications of budget policies the stakeholders involved and when and how to provide inputs during the annual budget cycle Given that no international standards or guidelines have been established for budget literacy education to date this book seeks to address this gap by taking stock of illustrative initiatives promoting budget literacy for youth in selected countries The underlying presumption is that when supply side actors in the budget process governments simplify and disseminate budget information for demand side actors citizens this information will then be used by citizens to provide feedback on the budget However since citizens are often insufficiently informed about public budgets to constructively participate in budget processes one way to empower them and to remedy the problem of budget illiteracy is to provide budget literacy education in schools to youth helping them evolve into civic minded adults with the essential knowledge needed for analyzing their government s fiscal policy objectives and measures and the confidence and sense of social responsibility to participate in the oversight of public resources This book elaborates on approaches learning outcomes pedagogical strategies and assessment approaches for budget literacy education and presents lessons that are relevant for the development improvement or scaling up of budget literacy initiatives

Japanese Political Economy Revisited David Chiavacci, Sébastien Lechevalier, 2020-11-25 During the last 30 years the Japanese political economy system has experienced significant changes that are usually not well understood or analysed because of their complexity and contradictions This book

provides new analyses and insights on the process of evolving Japanese political economy including Japan's current economic policy known as Abenomics. The first three chapters look at evolutions at the corporate level characterised in recent years by increasing firm heterogeneity. The authors apply theoretically driven analyses to the complex subject of corporate governance, human resource management and corporate reporting by discussing new developments in context of their economic opportunities as well as of their institutional contradictions with continuities in Japanese business practices. The second group of chapters deals with institutional changes and evolving economic reforms on the macro level of political economy. The two chapters focus on the financial system regulation and economic growth policies as two central elements of Japan's political economy and key drivers in the evolution of its economy. Their analysis allows us to better understand the interplay between reforms and change in consumption credit and to reinterpret Abenomics as a manifestation of ongoing contradictions within the Japanese political economy. The chapters were originally published in a special issue in Japan

Forum Parliamentary Debates India. Parliament. Rajya Sabha, 2018 **The Routledge Handbook on Sports Law and Governance** Annette Greenhow, John Wolohan, 2025-03-25 The Routledge Handbook on Sports Law and Governance provides a definitive guide to the regulation of international and national sport through the lens of both regulatory governance and legal frameworks. Over the past several decades law regulation and governance associated with international and national sport has grown exponentially aligned with professional and elite level sport development. The organisation and sophistication of international and national sporting competitions create an environment where pressures such as the sports ethic and strong incentives to win give rise to both novel problems and reoccurring themes. Exploring a wide range of perspectives across disciplines and transcending jurisdictional boundaries the handbook analyses complex international and national sports challenges. Taking a nuanced approach to traditional themes it recognises the context and sport as a regulatory domain when applying law and legal frameworks. This book is an essential resource for students and academics exploring issues in international and national sports law sports regulation and sports governance **HCI International**

2020 - Late Breaking Papers: User Experience Design and Case Studies Constantine Stephanidis, Aaron Marcus, Elizabeth Rosenzweig, Pei-Luen Patrick Rau, Abbas Moallem, Matthias Rauterberg, 2020-10-02 This book constitutes late breaking papers from the 22nd International Conference on Human Computer Interaction HCII 2020 which was held in July 2020. The conference was planned to take place in Copenhagen Denmark but had to change to a virtual conference mode due to the COVID 19 pandemic. From a total of 6326 submissions a total of 1439 papers and 238 posters have been accepted for publication in the HCII 2020 proceedings before the conference took place. In addition a total of 333 papers and 144 posters are included in the volumes of the proceedings published after the conference as Late Breaking Work papers and posters. These contributions address the latest research and development efforts in the field and highlight the human aspects of design and use of computing systems. The 54 late breaking papers presented in this volume were organized in two topical

sections named User Experience Design and Evaluation Methods and Tools Design Case Studies User Experience Case Studies

Loss of Signal National Aeronautics and Space Administration, 2014-07-25 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price

Loss of Signal a NASA publication to be available in May 2014 presents the aeromedical lessons learned from the Columbia accident that will enhance crew safety and survival on human space flight missions These lessons were presented to limited audiences at three separate Aerospace Medical Association AsMA conferences in 2004 in Anchorage Alaska on the causes of the accident in 2005 in Kansas City Missouri on the response recovery and identification aspects of the investigation and in 2011 again in Anchorage Alaska on future implications for human space flight As we embark on the development of new spacefaring vehicles through both government and commercial efforts the NASA Johnson Space Center Human Health and Performance Directorate is continuing to make this information available to a wider audience engaged in the design and development of future space vehicles *Loss of Signal* summarizes and consolidates the aeromedical impacts of the Columbia mishap process the response recovery identification investigative studies medical and legal forensic analysis and future preparation that are needed to respond to spacecraft mishaps The goal of this book is to provide an account of the aeromedical aspects of the Columbia accident and the investigation that followed and to encourage aerospace medical specialists to continue to capture information learn from it and improve procedures and spacecraft designs for the safety of future crews This poster presents an outline of *Loss of Signal* contents and highlights from each of five sections the mission and mishap the response the investigation the analysis and the future
