Judging Bible Study Guide Group:

Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups Richard Sogunle, 2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor s sermon day after day but never have the opportunity to contribute their God given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapon in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must have handbook for pastors leaders of various Christian fellowship groups and believers that will love to grow in their Christian walk Deborah Bible Study Guide plus Streaming Video Sandra L. MC: Joshua, Judges, and Ruth Gary Holloway, 2024-07-02 GOD never abandons his people even when we fail to trust him He delivers us from evil Joshua is the story of the promised land The Lord promised Abraham the land and now many years later he keeps his promise The book of Joshua makes it clear that the conquest is the work of God No human plan or might could have allowed Israel the victory These stories remind us that our strength is in God alone Judges tells the story of what happens when God's people are blessed Often as Moses warned them Israel forgets who gave them the land They go after other gods the defeated idols of the countries they had conquered Thus there is a cycle to the stories in Judges God's people follow idols God sends a nation to punish them They turn back to the Lord and God raises up a military deliverer called a judge to set Israel free Soon they again forget their allegiance is to the Lord alone and they go back to idols And the cycle continues The good news in this discouraging cycle of disobedience is that the Lord does not abandon his people When we return he saves Ruth tells a smaller story While Joshua and Judges speak of rulers and nations Ruth tells of an Israelite woman Naomi and her Moabite daughter in law Ruth who is faithful to Naomi She follows her back to Israel She meets a distant relative who is also loyal to God and to his obligations to his relatives Out of their faithfulness Naomi's fortunes are restored And out of this small story of the faithfulness of little people comes the great King David God is the hero of the story of Ruth even though his name is rarely mentioned The Lord works through the lives of those the world considers little people
