## July 2015 Watchtower Study Guide:

**Cult Shock** Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence [JEHOVAH'S WITNESSES 101](#) Edward D. Andrews, 2022-05-18 Each year the Jehovah's Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages Many think that they know the Jehovah's Witnesses but the sources are usually twofold 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex Jehovah's Witnesses 2 They have read books or comments by disgruntled ex Jehovah's Witnesses Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them Moreover we will use some arguments often raised about Jehovah's Witnesses as our text case from such persons as J Warner Wallace is a leading Evangelical Christian apologist today Here is what you will need to know in order to effectively share your faith with JW's when they come knocking [Jehovah's Witnesses and the Secular World](#) Zoe Knox, 2018-01-29 This book examines the historic tensions between Jehovah's Witnesses and government authorities civic organisations established churches and the broader public Witnesses originated in the 1870s as small loose knit groups calling themselves Bible Students Today there are some eight million Witnesses worldwide all actively engaged in evangelism under the direction of the Watch Tower Society The author analyses issues that have brought them global visibility and even notoriety including political neutrality public ministry blood transfusion and anti ecumenism It also explores anti Witness discourse from media portrayals of the community as marginal and exotic to the anti cult movement Focusing on varied historical ideological and national contexts the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world *Melting Pot or Civil War?* Reihan Salam, 2018-09-25 Long before Covid 19 and the death of George Floyd rocked America Reihan Salam predicted our current unrest and provided a blueprint for reuniting the country The years to come may see a new populist revolt driven by the resentments of working class Americans of color For too long liberals have suggested that only cruel racist or nativist bigots would want to restrict immigration Anyone motivated by compassion and egalitarianism would choose open or nearly open borders or so the argument goes Now Reihan Salam the son of Bangladeshi immigrants turns this argument on its head In this deeply researched but also deeply personal book Salam shows why uncontrolled immigration is bad for everyone including people like his family Our current system has intensified the isolation

of our native poor and risks ghettoizing the children of poor immigrants It ignores the challenges posed by the declining demand for less skilled labor even as it exacerbates ethnic inequality and deepens our political divides If we continue on our current course in which immigration policy serves wealthy insiders who profit from cheap labor and cosmopolitan extremists attack the legitimacy of borders the rise of a new ethnic underclass is inevitable Even more so than now class politics will be ethnic politics and national unity will be impossible Salam offers a solution if we have the courage to break with the past and craft an immigration policy that serves our long term national interests Rejecting both militant multiculturalism and white identity politics he argues that limiting total immigration and favoring skilled immigrants will combat rising inequality balance diversity with assimilation and foster a new nationalism that puts the interests of all Americans native born and foreign born first
