

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Sauser,2014-10-01 This edited book is intended to address the need for an updated look at the HRM legal and regulatory

environment Contrary to existing books which address legal issues in HRM from a narrower focus or specific issue like sexual

harassment performance appraisal or employment termination this book provides a comprehensive and in depth look at legal

Mussolini and the Eclipse of Italian Fascism R. J. B. Bosworth, 2021-03-02 An incisive account of how Mussolini pioneered populism in reaction to Hitler's rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler's entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts Mussolini's leadership in reaction to Hitler Bosworth shows how Italy's decline in ideological pre eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians *Title 42*
