voice went softer more dangerous His hot blue eyes lasered in on her What situation She swallowed hard Anger mixed with the strong sexual vibes pulsed between them I've been here for almost a month she said Except for that first day when we had dinner together you've been avoiding me like the plague He stepped toward her his big body seemingly growing expanding with his anger Irritation Something I taught you what you needed to know to be an ag pilot didn't I Caitlyn stepped back Yes Tyler took two steps forward I didn't avoid you then did I he said between gritted teeth No Not exactly God the man was tense And now he was invading her personal space How could she have thought for a moment that she'd imagined those sparks of awareness shooting between them They were brighter and more intense than fireworks on the Fourth of July But you can't deny you've been avoiding me since then can you Tyler stood directly in front of Caitlyn and stared into her eyes He was close enough to smell her fragrance feel the heat from her body Her windblown hair tumbled around her face in wild disarray His fingers itched to run themselves through the silken tangles He wanted to feel her body close to his Unable to help himself he reached out one hand and touched her soft cheek She closed her eyes and her dark lashes made feathery crescents against her creamy skin He'd been dying to touch her again To feel her warmth and vitality He rubbed his thumb across her bottom lip Back and forth Back and forth until her eyes flew open Keeping his gaze locked on hers he leisurely traced his finger down her jaw line and the curve of her neck only stopping when he reached the top of one rounded breast This is why I've been avoiding you
