This guide has it all, and it will help you ensure that your book club meetings are both fun and educational. Focusing on children in grades 3-8 and their families, the book offers 100 ready-made book club instructions for popular children's and YA titles from newer releases such as Theresa Nelson's *Ruby Electric* and *Blue Balliett's Chasing Vermeer* to perennial favorites and award-winning classics such as Johanna Hurwitz's *Much Ado About Aldo* and Gary Soto's *Baseball in April* and *Other Stories*. Along with thought-provoking discussion questions, you'll find all the background information you need to conduct lively book discussions with a variety of readers: plot summary, themes, and characters, description, genre, reading level, author, and award information, related reads, and more. The guide describes four types of family-oriented book clubs: family, mother-daughter, father-son, and readers' rap, as well as a book club for kids only. The author provides practical instructions for making each type of book club successful. For each title, she provides a plot summary, characterization sketches, questions to use for provocative discussion, and follow-up bibliographies on similar reads.

Notes on genres themes and reading levels are also provided The selected titles reflect some of the best most current and most popular children s literature In addition a broad scope of genres and multicultural titles are included Perfect for public library programs and after school book clubs this is a one stop resource with practical ready made plans that can easily be adapted to multiple environments Grades 3 8 *Invitations to Literacy* ,1997 *Fantastic Voyage* ,2002 SRA Open Court Reading ,2002
