Official Gazette of the United States Patent Office United States. Patent Office,1952 **Index of Trademarks Issued from the United States Patent Office** ,1952 *Foulois and the U.S. Army Air Corps, 1931-1935* John F. Shiner,1983
Official Gazette of the United States Patent Office USA Patent Office,1926 **Foulois and the U.S. Army Air Corps: 1931-1935 , Letter of the Secretary of War, Submitting an Itemized Statement of Personal Property which was Purchased Or Procured and Intrusted to Any Officer, Civil Or Military, in Cuba During the Period from January 1, 1899, to April 30, 1900, the Cost and Value of the Same, and the Uses to which Said Property Has Been Put, and the Disposition which Has Been Made Thereof ... January 21, 1901 [-April 10, 1901]** United States. War Department,1901 **Writing/Disciplinarity** Paul Prior,2013-11-05 Over the past century the explosive growth of scientific technical and cultural disciplines has profoundly affected our daily lives However processes of enculturation in sites such as graduate education that have helped to form these disciplines have received very limited research attention In those sites graduate students write diverse documents including course papers departmental examinations theses and dissertations grant and fellowship applications and disciplinary publications Thus writing is one of the central domains of enculturation an activity through which graduate students and professors display and negotiate disciplinary knowledge genres identities and institutional contexts This volume explores this intersection of writing and disciplinary enculturation through a series of ethnographic case studies These case studies provide the most thorough descriptions available today of the lived experience of graduate seminars combining analysis of classroom talk students texts and professor s written responses institutional contexts students representations of their writing and its contexts and professors representations of their tasks and their students Given the complexities that the ethnographic data displayed the author found that conventional notions of writing as a process of transcription and of disciplines as unified discourse communities were inadequate As such this book also offers an in depth exploration of sociohistoric theory in relation to writing and disciplinary enculturation Specific case studies introduce apply and further elaborate notions of writing as literate activity authorship as mediated by other people and artifacts classroom tasks as speech genres enculturation as the interplay of authoritative and internally persuasive discourses and disciplinarity as a deeply heterogeneous laminated and dialogic process This blend of research and theory should be of interest to scholars and students in such fields as writing studies rhetoric writing across the curriculum applied linguistics English for academic purposes science and technology studies higher education and the ethnography of communication
"A New Kind of War" Howard Jones,1997 In the aftermath of World War II civil war erupted in Greece between Western orientated government forces and Communist rebels The Truman administration subsequently became heavily involved in the internal conflict including the establishment of an American military presence on Greek soil and regular arms shipments This early containment policy focusing on Greece as a crucial outpost in the Mediterranean arena was symbolic of America s

Commitment to Free World Principles and her fear that the Soviet s ultimate goal was world domination This text explores the issues surrounding these events **A Farewell to Justice** Joan Mellen,2013-09-01 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy s murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy A Farewell to Justice reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with US Customs and that the attempts to sabotage Garrison s investigation reached the highest levels of the US government Garrison s suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison s effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies roles in both a president s assassination and its cover up In this revised edition to be published in time for the fiftieth anniversary of the president s assassination the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22 1963 More than one hundred new pages add critical evidence and information into one of the most significant events in human history Ralph Vaughan Williams' Wind Works Jon C.
