Modified Focus For User Guide:

NPARC V3.1 User's Guide, 1999 *User's Guide* Robert L. Schalock, 2007 This practical new Guide on the 2002 AAIDD Definition Manual tells clinicians educators policy makers and program managers how to implement the various components of the AAIDD definition system in their specific job settings The authors discuss the contemporary relevance of the supports based AAIDD definition in the context of issues ranging from special education practices and IDEA mandates to diagnosing individuals with a higher IQ and conducting retroactive diagnoses such as in the Atkins v Virginia case Policy makers and program managers will benefit from discussions on how the supports paradigm can improve quality outcomes of programs and how the 2002 system incorporates the emerging consensus in the field to move towards a supports based approach toward services for people with intellectual disabilities Back cover SharePoint User's Guide Infusion Development Corp. (Infusion Development Corporation), 2005-03-08 There s nothing like teamwork for making progress on a project but sharing information and building on each other s successes can be challenging when your team is scattered across the miles Microsoft s SharePoint helps teams and organizations close the distance With SharePoint groups construct web sites specifically for collaboration sites where individuals can capture and share ideas and work together on documents tasks contacts and events It s the next best thing to being in the room together Unfortunately much of the documentation for SharePoint is written to help system administrators get it up and running which often leaves end users in the dark The SharePoint User s Guide takes another approach this quick and easy guide shows you what you need to know to start using SharePoint effectively and how to get the most from it You ll learn how to create sites that your organization can use to work together or independently from an end user s point of view Now even beginners can learn how to access sites that are already set up create new sites personalize sites use the document and picture libraries for adding and editing content add discussion boards and surveys to a site enhance security You ll learn how you can receive alerts to tell you when existing documents and information have been changed or when new information or documents have been added You can even share select information with partners or customers outside your organization No one that uses SharePoint collaboration services can afford to be without this handy book The SharePoint User s Guide is designed to help you find answers quickly explaining key concepts and major points in straightforward language With SharePoint any team or organization can overcome geographic or time zone challenges and the SharePoint User s Guide will show them how *Corporate Data Base User's Guide* United States Postal Service, 1988 *AIMMS 3. 9 - User's Guide* Marcel Roelofs, Johannes Bisschop, 2009-05-04 The AIMMS 3 9 User s Guide provides a global overview of how to use the AIMMS system It is aimed at application builders and explores AIMMS capabilities in helping you create a model based application in an easy and maintainable manner The guide describes the various graphical tools that the AIMMS system offers for this task *Aimms 3.8 - User's Guide* Marcel Roelofs, Johannes Bisschop, 2008-01-01 The AIMMS 3 8 User s Guide provides a global overview of how to use the AIMMS
