

The background of the cover is a classical landscape painting. It depicts a deep, rugged valley with steep, rocky cliffs. A river flows through the center of the valley, reflecting the light from the sky. In the foreground, a gnarled, dead tree trunk lies on the left, and a small, dark figure is visible on the riverbank. The sky is filled with soft, white clouds, and the overall color palette is dominated by earthy browns, greys, and blues.

Elijah, Yahweh, and Baal

HERMANN GUNKEL

Edited and Translated by K. C. Hanson

Elijah Yahweh And Baal

G Thomas

Elijah Yahweh And Baal:

Elijah, Yahweh, and Baal Hermann Gunkel, 2014-11-18 Elijah Yahweh and Baal is a masterpiece presented with authority by a twentieth century accomplished and unsurpassed exegete. It is now translated by a disciple whose elegant rendition sounds as if Hermann Gunkel had originally written himself the book in English. Andre LaCocque, The Chicago Theological Seminary, Chicago, IL. Written a century ago for a church audience eager to learn how the best scholarship of the day could illuminate one of the Bible's most absorbing stories, this little book shows Gunkel at the height of his powers of critical perspicuity, explanatory finesse, and reverent sensitivity: the ideal Bible study leader at once learned, captivating, and devout. Moreover, Gunkel encompasses his subject as few today could or would in such short scope, combining philological acumen, aesthetic appreciation, comparative perspective, and attention to communal folk tradition, his pioneer distinction, and constants of human religiosity. The translation includes astute notes by the editor and a helpful list of more recent resources. Robert B Coote, San Francisco Theological Seminary, San Francisco, CA. Hermann Gunkel, who died in 1932, is one of the greatest teachers and God Fathers of Old Testament study. He has taught us the most about the artistic, imaginative dimensions of the text. His interpretation of the Elijah narrative in this volume is a treasure that merits continuing attention. We may be grateful indeed to K C Hanson for bringing it to us in English, and to Wipf and Stock for its publication. Gunkel continues to be our teacher and God Father in wise, shrewd reading of the text. Walter Brueggemann, Columbia Theological Seminary, Decatur, GA.

From Carmel to Horeb Alan J. Hauser, Russell Gregory, 1990-08-01. The two independent studies in this volume are: 1. Alan J. Hauser, *Yahweh versus Death: The Real Struggle in 1 Kings 17-19*. Hauser argues that although Yahweh emerges victorious in the famous match against Baal in ch. 18, it is Yahweh's struggle with death that gives 1 Kings 17-19 its literary shape and dynamic. 2. Russell Gregory, *Irony and the Unmasking of Elijah*. Gregory detects a fundamental irony in 1 Kings 17-19. Elijah, driven by his ambitions to clear the country of the prophets of Baal and to lead the people back to the worship of the one true god, appears to be a diligent and forceful prophet for Yahweh. And yet his frenetic activity only veils his arrogance and his subversion of the prophetic task.

Monotheism and Yahweh's Appropriation of Baal James S. Anderson, 2015-08-27. Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism: an early monotheistic Yahwism paradigm and a native pantheon paradigm. This study identifies five main stages on Israel's journey towards monotheism. Rather than deciding whether Yahweh was originally a god of the Baal type or of the El type, this work shuns origins and focuses instead on the first period for which there are abundant sources: the Omride era. Non-biblical sources depict a significantly different situation from the Baalism the Elijah cycle ascribes to King Ahab. The novelty of the present study is to take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel. Why Jerusalem later painted the Omrides as anti-Yahweh idolaters is then explained as the need to distance itself from the nearby sanctuary of Bethel by assuming the Omride heritage without admitting its northern

Israelite origins The contribution of the Priestly document and of Deutero Isaiah during the Persian era comprise the next phase before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic religion *The Early History of God* Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism

Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women's eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries Yahweh Versus Baalism Wolfgang Bludorn, 2001-12-19 The author uses a literary theological approach to argue that the main theme of the combined Gideon Abimelech narrative is a theological one where the narrator demonstrates Yahweh's supreme power and contrasts it with the absence of Baal the representative of foreign gods While the Gideon narrative focuses on Yahweh and the illustration of his power and contrasts it with Gideon's limited capacities the Abimelech narrative demonstrates Baal's absence Baalism's disastrous potential and Yahweh's continued control over the events Hence Gideon's victory over the Midianites and Abimelech's kingship serve only as the tangible instruments by which a single abstract theological theme becomes narratable
