Emotional Branding By Marc Gobe:

Emotional Branding Marc Gobé, 2001-01-01 Offers an approach to building brand loyalty with the use of an interactive strategy presenting case histories that demonstrate how the five human senses can be used as effective marketing tools to respond to trends

Emotional Branding Marc Gobe, 2010-02-09 Emotional Branding is the best selling revolutionary business book that has created a movement in branding circles by shifting the focus from products to people The 10 Commandments of Emotional Branding have become a new benchmark for marketing and creative professionals emotional branding has become a coined term by many top industry experts to express the new dynamic that exists now between brands and people The emergence of social media consumer empowerment and interaction were all clearly predicted in this book 10 years ago around the new concept of a consumer democracy In this updated edition Marc Gob covers how social media helped elect Barack Obama to the White House how the idea behind Twitter is transforming our civilization and why new generations are re inventing business commerce and management as we know it by leveraging the power of the web In studying the role of women as shoppers in chief and defining the need to look at the marketplace by recognizing differences in origins cultures and choices Emotional Branding foresaw the break up of mass media to more targeted and culturally sensitive modes of communications As the first marketing book ever to study the role of the LGBTQ community as powerful influencers for many brands Emotional Branding opened the door to a renewed sensitivity toward traditional research that privilege individuality and the power of the margins to be at the center of any marketing strategy A whole segment in the book looks at the role of the senses in branding and design The opportunity that exists in understanding how we feel about a brand determines how much we want to buy By exploring the 5 senses Emotional Branding shows how some brands have built up their businesses by engaging in a sensory interaction with their consumers Emotional Branding explores how effective consumer interaction needs to be about senses and feelings emotions and sentiments Not unlike the Greek culture that used philosophy poetry music and the art of discussion and debate to stimulate the imagination the concept of emotional branding establishes the forum in which people can convene and push the limits of their creativity Through poetry the Greeks invented mathematics the basis of science sculpture and drama Unless we focus on humanizing the branding process we will lose the powerful emotional connection people have with brands Critics hailed Emotional Branding as a breakthrough and a fresh approach to building brands Design in this book is considered a new media the web a place where people will share information and communicate architecture a part of the brand building process and people as the most powerful element of any branding strategy Most importantly it emphasizes the need to transcend the traditional language of marketing from one based on statistics and data to a visually compelling new form of communication that fosters creativity and innovation Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography

interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers *Emotional Branding* Marc Gobé, 2005 *Brandjam* Marc Gobe, 2010-06-29 Brandjam the follow up to the groundbreaking best seller Emotional Branding presents a powerful new concept from renowned designer and business guru Mark Gobe The Brandjam concept is about innovation intuition and risk Gobe explains how design is the instrument companies can use for jazzing up a brand how design puts the face on the brand and creates an irresistible message that connects buyers to the product in a visceral way Using jazz as his metaphor he shows how the instinctive nature of the creative process leads to unusual solutions that make people gravitate toward a brand and make brands resonate with people by bringing more joy into their lives It explores how design represents the personality of a company and provides its window to the world Brandjam is an inspiration for brands and people as it reveals the transforming impact brands have on their audience Follow up to Emotional Branding 50 000 copies sold in nine languages Insider's look at creating powerful compelling brands and identities Exciting new ideas for using design to drive consumers to embrace brands Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers **Joël Desgrippes and Marc Gobé on the Emotional Brand Experience** Anne Hellman, Marc Gobé, Joël Desgrippes, 2007 **Joel Desgrippes and Marc Gobe on the Emotional Brand Experience** Anne Hellman, 2007-07-01 Degrippes Gobe is internationally sought after firm that is leading the industry with groundbreaking work This exciting new book shares the expertise of the world renowned Degrippes Gobe team on a design subject for which they are widely recognized emotional branding The authors provide practical information by not only reviewing their own work but other strong work in the field Using sketches notes and final pieces Degrippes Gobe reveal their design process and the intricacies that have made them so successful Speaking candidly about client expectations they explore the successes and failures of particular projects to help readers understand how they achieved the end result This unique master class will provide readers with a better understanding of how to take their own work to the next level by offering their clients designs and branding strategies that make a difference by connecting on an emotional level *Citizen Brand* Marc Gobe, 2006-09-02 Leading brand designer Marc Gob builds on his highly successful Emotional Branding strategy with Citizen Brand a powerful new concept designed to help companies earn the trust of today's

consumers Gob argues that corporations need a new vision to survive in the present emotional economy challenging them to develop more passionate human and socially responsible brand strategies He shows how to transform Consumers to People Products to Experiences Honesty to Trust Quality to Preference Identity to Personality and Service to Relationship ,

How Brands Become Icons Douglas B. Holt, 2004 Iconic brands ie Coca Cola Volkswagen Corona have social lives and cultural significance that go well beyond product benefits and features This book distills the strategies used to create the world s most enduring brands into a new approach called cultural branding Brand identity is more critical than ever today as more and more products compete for attention across an ever increasing array of channels This book offers marketers and managers an alternative to conventional branding strategies which often backfire when companies attempt to create identity brands

Breakthrough Food Product Innovation Through Emotions Research David Lundahl, 2011-10-19 More than 95% of all consumer product launched in the packaged goods sector fail to achieve their goals for success Breakthrough Food Product Innovation Through Emotions Research gives a clear answer for innovation teams seeking to increase product success rates by breaking through the clutter in an otherwise undifferentiated commoditized marketplace Through case studies it lays out a practical approach for applying emotions research throughout the food innovation and product development process The basic premise is that emotions are the chief motivation for why consumers sense select seek and share their food product experiences With this novel framework the science of consumer behavior is made operational for innovation teams Emotions insight inspires innovation teams to create and helps guide decision making as they design sensory cues and other behavior drivers into products that make consumers want to consume This book has implications for the whole innovation team innovators such as product developers designers creative chiefs and marketers strategists such as line managers and researchers such as sensory and marketing researchers Presents a behaviour driven approach to innovation for the development of breakthrough food products Illustrates a collaborative framework to inspire creativity and guide decision making through emotions insights Explores a research framework that gets to the whys of consumer behavior by distilling the science of emotions into research insights Defines design and development methods to build sensory cues into packaging and packaged foods that deliver emotional impact Explains research methods that get to the so whats of insights through emotions research Provides case studies and examples proving the value of the behavior driven approach to food product innovation
