

Placing Originals for Copying, Scanning, or Faxing

Before you copy, scan, or fax, place your documents or photos on the scanner glass (below) or in the Automatic Document Feeder (see page 10).

Using the Scanner Glass

You can place one or two photos or a document up to letter-size (or A4) on the scanner glass to make color or black and white copies.

1. Open the document cover and place your original face-down on the scanner glass, with the top against the back left corner.

If you're scanning 3 × 5- or 4 × 6-inch photos, you can place up to two at a time on the scanner glass. Place them at least 1/4 inch (5 mm) apart.

2. Close the cover gently so you don't move the original(s).
