

Tesco and its environment

Introduction

External and internal environment in an organisation is associated with providing significant impact to the business which is leading the business to gain higher succession opportunities.

Internal Factors

Internal factors can be categorised as various factors which are associated with the organisation and these can be tangible and intangible in nature. These are the factors which are linked with positivity and negative aspects of the organisation.

External Factors

External factors are defined as such extrinsic aspects which cannot be controlled by the business but at the same time these factors are having direct impact over organisational functions. External factors are directly associated with strategic business objectives and helped in managing competition as well.

Overview of Tesco

Tesco plc is a British multinational groceries and general merchandise retailer headquartered in Welwyn Garden City, England. It is the third-largest retailer in the world measured by gross revenues and the sixth-largest in the world measured by revenues.
