It examines the powerful appeal of these concepts as part of a wider public mood marked by guilt, nostalgia and resentment, particularly around the inequalities produced by global capitalism and changes to the nature of work. In doing so, the book engages with urgent questions about the contemporary political climate. Focusing on the UK, it challenges accounts of neoliberalism which frame it as primarily an individualising force and localist definitions of community as mitigating its damaging effects. Finally, it explores how resistance to austerity can challenge these tendencies by offering a politics of solidarity and hope and a forum for experimentation with alternative forms of collectivity. *Mergent International Manual*, 2009 *Montenegro* Annalisa Rellie, 2012 A hidden corner of eastern Europe, Montenegro lies across the Adriatic Sea from Italy, its stark mountains rising up from the coast. It offers superb year-round eco-adventure and sports facilities. Medieval architectural gems vie for attention with more recent Venetian fortresses and churches reflecting the diversity of Montenegrin culture. Along the eastern border lies Lake Skadar, a nature lover's dream with national park status. Updated throughout, this edition has all the practical information the independent traveller needs, including new hotels and restaurants on the coast and in the mountains. Outdoor and cultural enthusiasts will enthuse over the extended coverage on national parks, fishing opportunities and archaeological finds.
