The Machine in the Ghost Robin Boast, 2017-03-15 We live in a digital age buy and sell in a digital economy and consume oh do we consume digital media The digital lies at the heart of our contemporary information heavy media saturated lives and although we may talk about the digital as a cultural phenomenon the thing itself digitality is often hidden to us a technology that someone else has invented and that lives buried inside our computers tablets and smartphones In this book Robin Boast follows the video streams and social media posts to their headwaters in order to ask What exactly is the digital Boast tackles this fundamental question by exploring the origins of the digital and showing how digital technology works He goes back to 1874 when a French telegraph engineer Jean Maurice mile Baudot invented the first means of digital communication the Baudot code From this simple 5 bit code Boast takes us to the first electronic computers to the earliest uses of graphics and information systems in the 1950s our interactions with computers through punch cards and programming languages and the rise of digital media in the 1970s Via various and sometimes unanticipated historical routes he reveals the foundations of digitality and how it has flourished in today s explosion of technologies and the forms of communication and media they enable making real the often intangible force that guides so much of our lives Ghost in the Machine David Gilman, 1996 Applause Books The playscript to Ghost in the Machine by David Gilman begins with a common situation that of a missing fifty dollar bill and spins it into intriguing questions of probability chance and the complexities of musical composition illusion and reality The Ghost in the Machine Mary Woodbury, 2005 *Girl* with the Ghost Machine Lauren DeStefano, 2017 Neglected by her father who spends all of his time building the ghost machine to bring her mother back from the dead twelve year old Emmaline decides that the only way to bring her father back will be to make the ghost machine work or destroy it forever Ghost in the Machine Kayla Hoyet, 2016-07-20 Eighteen year old Tyler Gaines has always followed the rules in part because it s too much trouble to break them but mostly because her father s bedtime stories about the Sphere's elite red coat Enforcers scared her senseless as a child She does what she's told just like everyone else so when she goes to see the Broker a woman whose sole purpose is to assign a match to everyone in the Sphere and gets paired with a red coat Enforcer named Aidan she tries her best to put her father s stories to rest and adapt to her new family When Tyler's best friend is killed and both fingers and technology point to Tyler as the main suspect Tyler begins to think that her nightmares are coming to life Aidan knows Tyler is innocent but there s one big problem Proving Tyler s innocence rests on proving that the government s high tech system the system on which the entire population

depends has a problem the likes of which it has never had before Aidan doesn t have a lot of time to make his case If he can t figure out what s wrong with the system soon Tyler may end up paying the ultimate price for a crime she didn t commit

Ghost in the Machine Katie O'Sullivan, 2020-09 A missing black book that can take down Beacon Hill and the ghost who holds the answers Massachusetts State Trooper Jack MacDonald sees the world in black and white Good guys versus bad guys But life isn t always so simple When a road crew finds a dead junkie stuffed in a trash bag Jack s drawn into a world of shadows where nothing is as simple as it seems Especially not the dark haired beauty caught up in the middle Maggie Nelson lives in those shadows Her sister might be the infamous Beacon Hill Madam but Maggie just wants to stay under the radar and finish college After her sister s suspicious death Maggie finds her own life endangered because of a missing ledger filled with names and numbers It s the kind of information that can crush dreams and ruin lives Or get you killed Can a man who doesn t believe in ghosts keep them safe from the shadows closing in on all sides *Ghost in the Machine* Patrick Carman, Joshua Pease, 2009 Although forbidden to see each other Ryan and Sarah continue their investigation of the mysterious happenings at the dredge by communicating through video clips text messages midnight meetings and journaling The Girl with the Ghost Machine The reader may view videos on a website by using links and passwords found in the text Lauren DeStefano, 2017-06-06 When Emmaline Beaumont's father started building the ghost machine she didn't expect it to bring her mother back from the dead But by locking himself in the basement to toil away at his hopes Monsieur Beaumont has become obsessed with the contraption and neglected the living and Emmaline is tired of feeling forgotten Nothing good has come from building the ghost machine and Emmaline decides that the only way to bring her father back will be to make the ghost machine work or destroy it forever The Ghost in the Machine Colin Dexter, John Thaw, Kevin Whately, 1994

Ghost Machine Scare Street, David Longhorn, 2024-07 An ancient device that promises immortality But power always has a price Art historian Dan Fox is driven by a fascination with ancient relics His search for antiquities has led him to some of the most dangerous places in the world But when he is tapped for membership in the occult organization known as the Mephisto Club his obsession turns into a hunger for supernatural power Now the Mephisto Club has tasked him with retrieving a machine known as the Frankel Device Lost after WW2 this mysterious invention has been linked to a web of horrifying deaths Rumors say it grants immortality to those who endure its sinister effects But there is a cost Dan and his ally Natasha scour the English countryside for the device guided by the spirit of Dan's dead lover Miranda But they quickly realize they are not alone in their search A government paranormal organization is hot on their tail with orders to destroy the Mephisto Club at any cost And dark powerful forces beyond man's understanding have taken an interest in Dan's quest for supernatural power With immortality at his fingertips Dan must decide how far he is willing to go in his quest for power Using the machine could make him a god Ghost in the Machine Patrick Carman, 2021-04-15 Strange things are happening in Skeleton Creek and Ryan and Sarah are trying to find out why Geiger: Ground Zero #1 Geoff Johns, 2023-11-15
