Handbook on Building Cultures of Peace

Joseph De Rivera, 2011-03-21 *Forming a Culture of Peace* K. Korostelina, 2012-05-07 This book challenges the discourses narrative frames and systems of beliefs that support and promote violence and conflict it defines new comprehensive approaches to human security as preventative and empowering to individuals and it provides conceptual frameworks and methodological tools for enhancing the processes of communicating peace

Building Cultures of Peace Randall Amster, Elavie Ndura-Ouédraogo, 2020-07-13 From violence and abuse within family units to communities and regions torn apart by inter group conflict and wars among nations the human condition is rife with turmoil The consequences of this seemingly perpetual strife weigh heavily on humanity often creating feelings of powerlessness and hopelessness that only serve to breed more conflict and violence In the face of these monumental challenges initiatives for peace struggle to take root Seeking effective ways to encourage these efforts the United Nations adopted three declarations on the eve of the 21st century including the Declaration on a Culture of Peace that broadly defines what the vision looks like and the actions necessary to build cultures of peace Taking up this central challenge of our time this volume of collected essays presents multiple perspectives on the critical issues of peace and conflict resolution that pervade the globe addressing the UN s charge to develop values attitudes modes of behavior and ways of life conducive to the promotion of peace among individuals groups and nations Bringing together scholars and practitioners from fields including education sociology criminology political science and peace studies this work constructively engages the task of creating peace and fostering hope in a conflict ridden world

Business and Peace-Building

Carol Bond, 2018-07-04 In a world struggling to adapt to seismic social and environmental changes the time is now for businesses to prioritise creating local conditions of peace This book builds on original research foregrounding peace as a core business outcome for natural resources industries Especially in non warlike situations where natural resources industries have exacerbated or caused conflict foregrounding peace as a core business outcome can bring substantial benefits Peace is a concept external and internal stakeholders understand Consequently research shows that when natural resources sector CSR professionals start reframing their day to day decisions in terms of peace outcomes they are more likely to create efficient and cost effective solutions to environmental

social and economic business challenges This book provides both theory and practical suggestions for how to reframe day to day CSR activities of natural resources companies as peace focused business decisions Especially in the remote and rural regions of the world where natural resources industries have the greatest impact businesses can lead the way in contributing to conditions of peace while bringing much needed resources to market

Breathing: Violence In, Peace Out Ivana Milojevic, 2013-10-01 An investigation into the long term impact of transgenerational trauma and the possibilities for healing this book explores the links between personal histories and world events and helps us to understand life's dualities violence and peace self and other stability and change slavery and freedom Author Ivana Milojevic asks How does violence change us Is it possible to change the inner landscape of one's thinking in the midst of pain and suffering and If this is our past how might our future be different Oscillating between two voices Milojevic journeys between the personal breathing in which describes her experience of violence while the second academic voice breathing out tries to make sense of it The rhythm created by inhaling and exhaling reflects not only what we take from the world but also what we give back to it Breathing is an inquiry into alternative futures as Milojevic explores a range of possibilities both for each of us personally and for the world

Coleman,Morton Deutsch,2012-06-15 Scholarship on the psychology of peace has been accumulating for decades The approach employed has been predominantly centered on addressing and preventing conflict and violence and less on the conditions associated with promoting peace Concerns around nuclear annihilation enemy images discrimination denial of basic human needs terrorism and torture have been the focal points of most research The Psychological Components of a Sustainable Peace moves beyond a prevention orientation to the study of the conditions for increasing the probabilities for sustainable cooperative peace Such a view combines preventative scholarship with a promotive orientation to the study of peaceful situations and societies The contributors to this volume examine the components of various psychological theories that contribute to the promotion of a harmonious sustainable peace Underlying this orientation is the belief that promoting the ideas and actions which can lead to a sustainable harmonious peace will not only contribute to the prevention of war but will also lead to more positive

constructive relations among people and nations and to a more sustainable planet The Psychological Components of a Sustainable Peace is valuable and stimulating reading for researchers in peace psychology political psychology and conflict resolution as well as others who are interested in developing a sustainable harmonious world SDG18 Communication for All, Volume 1 Jan Servaes, Muhammad Jameel Yusha'u, 2023-03-25 The 2030 agenda for development or what is known as the Sustainable Development Goals SDGs is the most ambitious agenda collectively agreed upon by 193 countries in human history In 2015 the UN Member States adopted the 17 SDGs as a framework that would help address the challenges being faced by humanity From eradicating poverty ending hunger providing universal access to healthcare and education and addressing climate change to the partnering of individuals communities and nation states to achieve global goals Yet the framers of the 2030 agenda forgot to dedicate one goal focused on the role of communication in achieving the SDGs It is nearly impossible to achieve the SDGs without the articulation and embrace of the role of communication in development Today development has become a communication issue and communication is a development issue How could such a vital pillar of life be missing in the UN's Sustainable Development Goals Volume 1 provides an overview of what the contributors have termed as the missing link between existing SDGs Communication for All *Psychology as a Dialogical Science* Maria Cláudia Santos Lopes-de-Oliveira, Angela Uchoa Branco, Sandra Ferraz Dourado Castillo Freire, 2020-05-14 This book intends to translate into theoretical methodological and practical language the principles of dialogical psychology Throughout the 19th and 20th centuries theoretical models in psychology have approached human mind and behavior from a monological point of view a generalizing perspective which ignored the core role of social transactions in the construction of the person and sought to explain psychological functioning only looking inside individuals minds and brains or in mechanist sets of reinforcement contingencies However for the last 40 years critical perspectives within the fields of psychological and sociological theoretical thinking have produced an important epistemological shift towards a new dialogical paradigm within the behavioral and social sciences The contributions in this volume intend to present both the theoretical framework and possible applications of dialogical psychology in different fields of research and practice such as Developmental psychology School and educational psychology Social and personality psychology Education Social work Anthropology Art Psychology as a Dialogical Science Self and Culture Mutual Development will be an invaluable resource to both researchers and practitioners working in the different areas involved in the study and promotion of healthy human development by providing an alternative scientific framework to help overcome the traditional reductionist monological explanations of psychological phenomena **The Psychology of Peace Promotion** Mary Gloria C. Njoku, Leonard A. Jason, R. Burke Johnson, 2019-07-04 This volume Psychology of Peace Promotion builds on previous volumes of peace psychology extending its contributions by drawing from peace research and practices from five continents Africa Asia Europe North America and South America The book discusses emerging disciplinary and inter disciplinary theories and actions Each chapter begins with a theoretical

framework for understanding peace followed by a critical review of peace promotion in a specific setting and concludes with an illustration of psychological principles or theories in either a narrative format or an empirical investigation This volume develops as well as guides its readers on the epistemology of promoting and sustaining peace in varied settings around the world This book presents relevant cutting edge peace promotion strategies to anyone interested in promoting peace more effectively including peace practitioners scholars teachers and researchers as well as the general reader It presents a number of innovative approaches illustrating their applications to specific social problems settings and populations In addition this volume has much in store for both academic and practice based scientists in the field of peace psychology mental health professionals administrators educators and graduate students from various disciplines The goal is the promotion and sustenance of peace using theoretically sound yet innovative and creative approaches As expressed by the United Nations Secretary peace does not occur by happenstance Promoting and sustaining peace requires reflective thoughtful and targeted efforts This book inspires its readers to develop a better understanding of peace and the means of promoting peace in a sustainable way
