**Ideological Idiocy** Tygrrrr Express,2010-04-08 Conservatives are busy trying to save the world The world is going to heck in a handbasket and liberals are trying to figure out whether to hold angry peace rallies or

celebrate the environment by leaving their signs on the grass for productive people to clean up If only they knew how many trees and bunny rabbits were murdered on 9 11 by people unconcerned with carbon emissions Liberals like to declare every conservative on the planet to be either evil or stupid Ideological Idiocy is about their declaration of our being unenlightened dolts This is ideological idiocy Having liberals declare the author stupid is like listening to members of the KKK call him insensitive Conservatives must remember that our critics do not matter Nobody listens to these crying children For those that do not have a blunt instrument nearby or are looking for a solution that avoids jail humor is a powerful weapon Use it against the left every moment they breathe They may get offended but that is the point The only thing that the author wants to communicate in this book is that without love and laughter there is no life Nothing he does will change the world but if it gets a stiff person to lighten up and smile he is pleased
