terrorized by Stalinization and Hitlerization German socialism and Soviet socialism had partnered in a pact to divide up Europe launching World War II invading Poland together and going onward leading to the socialist Wholecaust of which the Holocaust was a part It was a globalization conspiracy to make everyone in the world as equal as a cog in a collectivist wheel After the Allies defeated German socialism Soviet socialism continued the sordid plot on its own Stalin s anti consumption dogma had already starved millions to death under his collectivization of food His get poor quick scheme continued to impoverish multitudes for decades In contrast in the USA McDonald s began posting the number of hamburgers sold in 1955 The signs over the golden arches said over a million served Soviet socialists colluded with Chinese socialists despite Stalin s earlier experience cooperating with German socialists The Chinese mimicked Stalin s one size fits all food bureaucracy Soon Mao s death toll by starvation rivaled Stalin s Their bogus right to free socialized medicine could not cure stage 4 hunger not even pain pills nor palliative care was provided Soviet socialism and Chinese socialism both independently caused cannibalism think of it as slow food not fast food While McD s asked Do you want fries with that socialists asked Do you want flies with that Due to the lack of reliable electricity and refrigeration Similar unhappy meals followed the same irrational socialization chaos in other countries Socialism is a high mortality dogma In 1991 the Union of Soviet Socialist Republics ceased to exist because its socialization economy collapsed In 1993 The McDonaldization of Society by George Ritzer was published In the book Ritzer writes as if he is ignorant that members of Hitler s group did not call themselves Nazis but called themselves socialists and touted socialism by the very word in voluminous writings and speeches In that regard Ritzer perpetuates widespread ignorance among college students Ritzer seems ignorant of the death tolls under Stalin and Mao who also glorified socialism voluminously by the very word It says more about Ritzer than it does about McDonald s In 1994 McDonald s stopped counting hamburgers served because the quantity surpassed 99 billion Today McDonald s is so loved that it can boast that billions and billions have been served During that same time socialists can boast that millions and millions have been starved To death The USA has avoided many monotonous horrors of collectivization and socialism s trademark mass starvations McDonaldization and other all capitalism saved us from McStalinization McHitlerization McMaoism and defeated other McSocialization in America Even so The McDonaldization of Society is used as a textbook in American college classes that bad mouth capitalism and glorify socialism Young people are being brainwashed in schools and universities In how many other ways is the USA being victimized by anti capitalist propaganda The USA was the origin of Nazi salutes and Fascist behavior through the propaganda of an American Socialist Francis Bellamy author of the USA s Pledge of Allegiance to the Flag America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 near McDonald s start What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement

AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book **Harlequin Romantic Suspense July 2025 - Box Set** Addison Fox,Kacy Cross,Kimberly Van Meter,Kenna Scott,2025-07-01 Looking for heart racing romance and breathless suspense Want stories filled with life and death situations that cause sparks to fly between adventurous strong women and brave powerful men COLTON REUNION by Addison Fox Photographer Paige Barnes feels conflicted about her assignment shooting a layout at Mariposa Ten years ago Adam Colton broke her heart when he left her to run his family s exclusive resort Now she finds the longing she thought she d tamed is still blazing And for Adam seeing Paige again sparks a tsunami of regret and desire But when a series of accidents make it clear Paige is being targeted Adam must protect the woman he still loves And overcoming their past is essential to protecting their future DECODING DANGER by Kacy Cross Special ops veteran Paxton Pierce has made it clear that he has no interest in being Veronica Lang s bodyguard Fieldwork would only stir up the memories he wanted to escape when he moved into tech But when a man from her father s past pulls a gun on her every instinct in Paxton s body tells him to protect her even if that means following her on a perilous hunt for hidden treasure His training should keep her safe Unless the undeniable heat between them becomes a deadly distraction COLD CASE RECKONING by Kimberly Van Meter Sparks fly when former lovers BIA agent Shilah Parker and private investigator Brannon Ventura are thrown together to reinvestigate a 25 year old murder case One especially personal for Brannon who believes his biological father was wrongly convicted of the crime But uncooperative police and local townsfolk create challenges at every turn complications which pale in comparison to their lingering feelings Until they uncover a corrupt secret society with Shilah in their crosshairs They must confront their painful past to find justice and a second chance at love LEGACY OF SECRETS by Kenna Scott On a routine job firefighter Sean Harrington feels less heat from the blazing building than he does from rescuing the red hot woman trapped there She s ATF Special Agent Casey Anderson almost a double for his missing sister Sylvia Unbeknownst to Sean his sibling disappeared after discovering criminal activity at the Harringtons winery Teaming up with Casey the pair s hunt for Sylvia plunges them into a deadly world of cartel conspiracies betrayals and murder But it s their own histories of burned relationships familial and romantic that threaten what s building between them Harlequin Romantic Suspense brings you all that and more with four new full length titles in one collection [Living Among Meat Eaters](#) Carol J.
